

LAKESHORE COMMUNITY TELEVISION LIMITED

It has come to our attention that some subscribers are attaching signal splitters to our house service drops to feed a second TV receiver or FM radio.

This has been done without our knowledge and consent and must stop. We have had to make several calls to correct bad installations of this sort.

We point out that this is also an illegal practice.

We make a charge of \$16.00 to install a second installation to cover approved equipment and no rental charge if used by same family.

We will no longer be responsible for service to such illegal installation and will promptly disconnect from premises.

Bert Lohr, President,
Lakeshore Community Television Limited.

unless you are wearing suitable safety straps. A loose ski on the hill can be a deadly weapon.

2. If you fall and dig a hole in the hill, patch it up properly before continuing on. This makes skiing safer for yourself and your fellow skiers.

Neighbours of Marj and Walter Anderson gathered at the home of Alex and Nancy Marquis on New Year Eve for a farewell party, to wish them well on the eve of Walter's retirement. The Andersons have taken up residence in Brandon.

They were presented with a purse as a token of their friends good wishes.

Mrs. Grace Gerouard of Kapuskasing, spent the Christmas vacation with Rita and Lloyd Boudreau.
