On the traffic scene there were two minor collisions totalling \$590.00 in damage.

On January 10, Constable C.R. Duffy investigated a one car collision east of Steel River. Ian Marsh Titley of Ottawa, lost control of his vehicle and struck a guide post causing \$500.00 damage to his vehicle.

On January 14, Glenn Smith of Hamilton, lost control of his vehicle at the Prairie River Bridge causing \$90.00 damage to his vehicle. This collision was investigated by Constable D.B. Anderson.

MOTORISTS!

Here's a winter driving reminder. It's required by law to have clean driving visability - front, sides and rear whenever the vehicle is in operation. This means it's illegal to drive with windows steamed up, frosted over or covered with snow. Weather conditions may make it difficult at times but remember - You can't avoid a collision if you can't see one.
