

WEEKLY REPORT FROM THE

SCHREIBER DETACHMENT
OF

THE ONTARIO PROVINCIAL POLICE

There were no criminal cases reported or investigated by members of this detachment during the past week.

The traffic scene was similarly quiet with no collisions being reported. Accidents are now showing a decrease of almost 40% over the same period last year. Let us continue to be vigilant particularly during these periods of adverse road and weather conditions.

Motorists are asked to keep in mind at all times the danger posed by high snowbanks especially due to the fact they so effectively hide children from your view.

Traffic Safety Officer, Constable D.B. Anderson is presently engaged in a program stressing the importance of safety involving various phases of electricity. The programme sponsored by Ontario Hydro is called "Hi-Line Hazard," and utilizes film, operational models and talks to get it's message across. Constable Anderson visited schools in the Schreiber area the past week and will continue with visits to Nipigon, Terrace Bay and Marathon area this week.

HOLY ANGEL'S SCHOOL

P.T.A.
