CHRISTIAN LAY COUNCIL MEETING HELD

The first North Shore Christian Lay Council meeting was held on February 28th, in St. Andrew's United Church in Schreiber.

Although the Council is in its preliminary stages, it is to be made up of two lay representatives from each church in every community in the Lake Superior North Shore area.

Attending this first meeting were representatives of Trinity Anglican, - continued next column ...

Marathon; St. John's United, Marathon; Community Church, Terrace Bay; Holy Angels' Roman Catholic and St. Andrew's United, Schreiber.

Some of the aims and objectives of the Council are:

- (1) to have meaningful communication between the churches and share the resources available.
- (2) to increase the understanding among the churches.
- (3) inter-church visitation.
- (4) exchange of program activities.
- (5) to initiate action in joint concerns.
- (6) to arrange for pulpit exchanges - ministerial as well as lay people.
- (7) to provide links between the churches rather than build fences.

Those attending the meeting expressed their genuine concern for improved relationships between the churches and felt that the formation of the North Shore Christian Lay Council may be one step toward more eucemenical developments.

It was also hoped this might be the first step on the part of lay people to seriously be considering the role and function of the church in today's society, by means of a eucemenical council.

The next meeting of the new association will be held on March 28th at 2:00 p.m. in the Terrace Bay Community Church.
