LAND RANGERS ENROLLMENT

Land Rangers Enrollment took place recently with nine girls taking part.

These girls, having started out as Brownies, progressed through Girl Guides and attaining the age of fourteen, were eligible to become Rangers.

A very impressive ceremony was held, with the Brownies entering the Church hall to form a Fairy Ring, where they repeated the Brownie promise.

Following the Brownies, Girl Guides entered and formed a semi-circle around a table on which were nine red candles.

Each Ranger lit one candle as she repeated the Ranger promise. Mrs. S. Caron, District Commissioner, then enrolled the Rangers and also Mrs. Rosalind Kenney as a Lieutenant.

Lunch was served to mothers and guests.
