SKI CLUB VANDALIZED

Sometime early last week, the Terrace Bay Ski Club was the victim of senseless destruction - windows were smashed, lightbulbs broken and club equipment was scattered about the hill.

The damage was reported to the Police and an investigation has resulted in the apprehension of several persons. Restitution will be made to the club for the damage done.

It is estimated that over the years vandalism has cost our club well in excess of \$2000. In addition, vandalism has destroyed the results of many hours of volunteer work, done by club members and community minded people.

THE MEMBERS OF THE TERRACE BAY SKI CLUB ARE FED UP WITH THESE CRIMINAL ACTS.

We are a private club operating on private property.

We can initiate legal proceedings against those who damage our property and in future we intend to follow this course of action when warranted.
