

'Bill Smiley - cont'd from page 16...

winter -, having vented his orgy of rage, is beginning to die of sheer emotional exhaustion.

Unless the old brute throws one more senile but devastating blow at us.

ALTERNATIVE OUTLINE

SPRING IS HERE! Out come the bicycles, the skipping ropes, the balls. Drivers are advised to be on the alert for carefree children playing or running out on the roads...for wobbly youngsters trying out their bikes. And the Ontario Department of Transport has this reminder for parents too...make sure that your children play games in a safe place away from traffic...that they know and obey the traffic safety rules on foot or on their bicycles...that the bicycles they ride are in safe mechanical condition.
