

BANQUET HELD FOR NORTH STARS

Lou Karns, president of the hockey league, was M. C. for a banquet tendered for the Schreiber North Stars, who won the North Shore junior trophy, ending up in first place.

The meal was provided by mothers, wives and girl friends of the players and served in the Legion.

Reeve F.V. Harness presented individual trophies from the town to the players.

Farewell gifts, for their work with the team, were presented to Freddie McColeman, three years the coach; and Ken McNally two years as trainer. But, the team protested vociferously against their resignations appealing to them to re-consider their decision.

A gift was also presented to Des O'Driscoll, for seven years the manager.

A round of applause also went to Paddy O'Brien, long associated with the club as trainer.

It was announced that the goal tending award, in the League, was won by Ted Winters of Schreiber for the fewest goals scored against a team.

This and other awards are to be presented at a later time.

Since the occasion was strictly a team-gathering the many short speeches were informal but sincere, the team regretting the players they expect to lose, but confident of a good season coming up.

Even N.H.L. players have occasionally received a boo in their hometown, one player remarked but this has never happened in Schreiber where hockey fans are fanatically loyal.
