

Scout Report - cont'd from page 10 .....

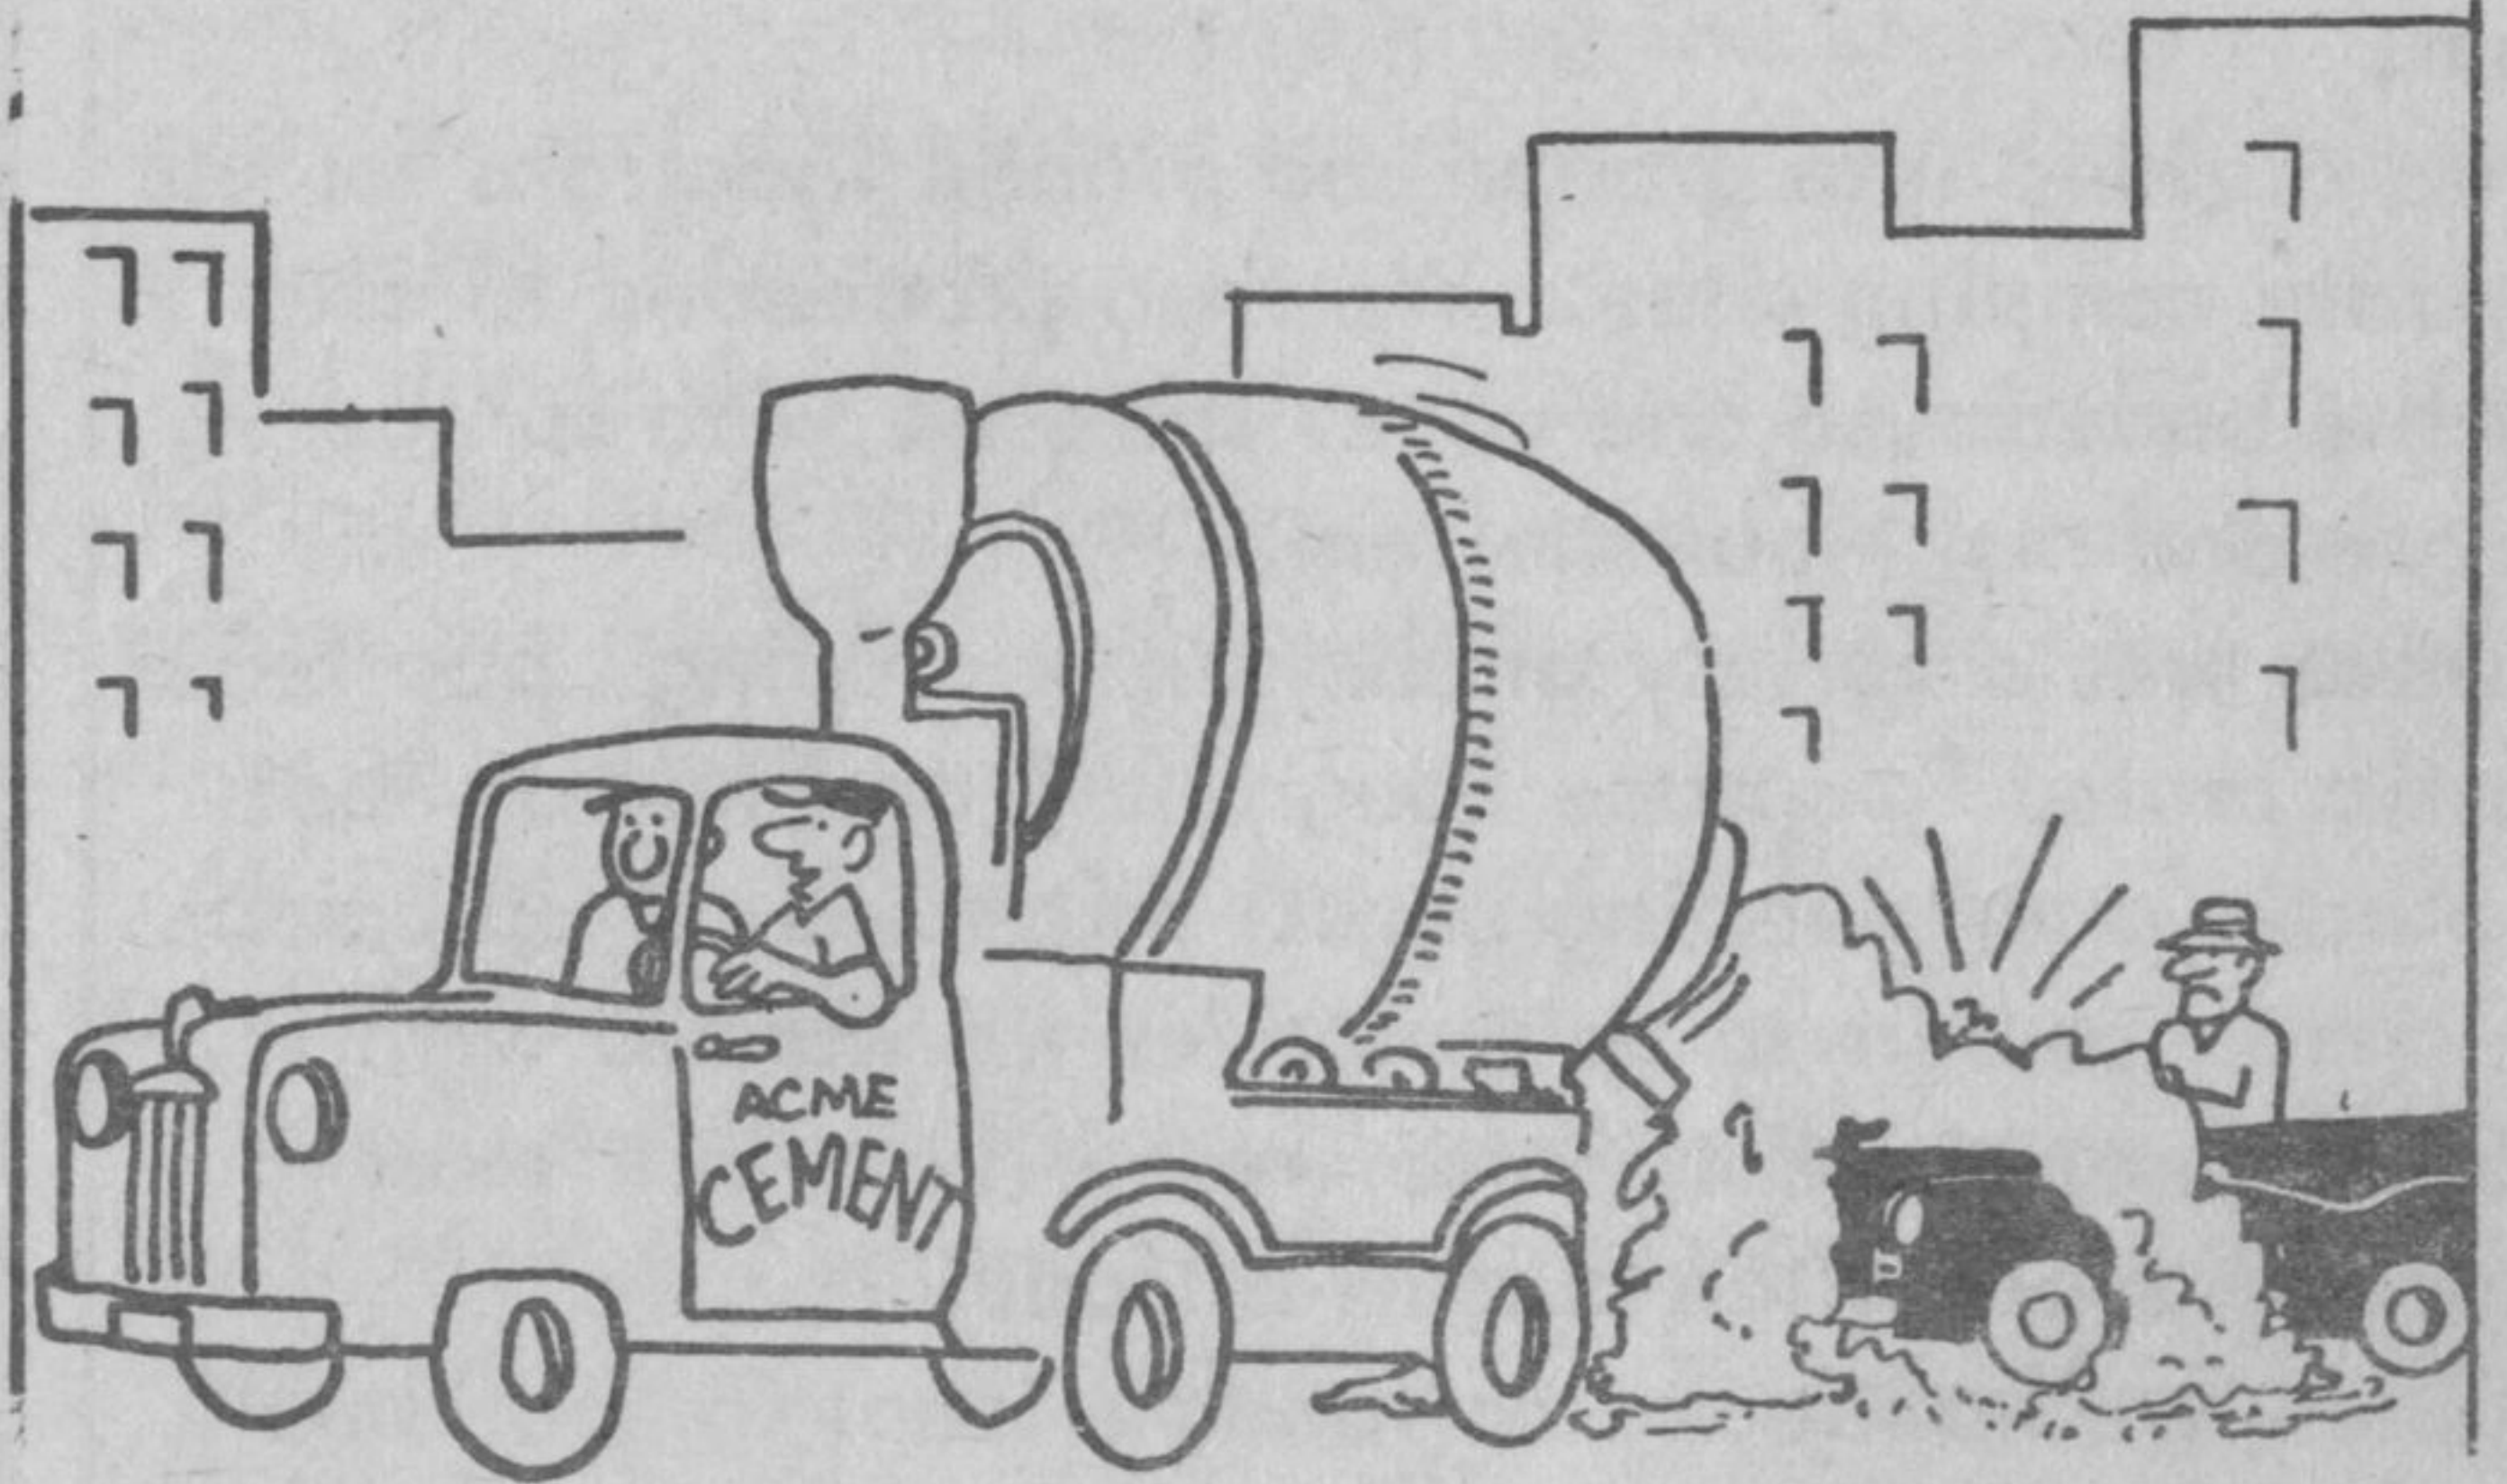

a 24 ft. x 36 ft. building which will be sufficient for the requirements of future cub camps. With any materials left over, the venturers intend to build a winterized cabin to be used as a venturer retreat. Future Plans - Plans are being formed for our annual meeting. This will be a meeting in which all members of the group committee, or in other words, all parents, will be invited. At this meeting nominations and elections will be held for next years group executive.

The two executives will have a combined meeting in June and the new executive will take over on August 1st.
