Council expressed themselves as not in favour of a youth hostel in the town.

Reeve Harness reported being approached by the Sea Cadets looking for quarters for meetings and it was agreed to try to find a building for the organization.

The idea of having garbage collecting in the town done by contract was discussed.

Suggestions for an original sign for the town to be placed after the new lighting is installed were considered.

A no parking area in front of a local hotel should be better marked to avoid misunderstanding, council agreed.

BAKE SALE TO BE HELD

Mrs. G. Fischer presided for the regular May meeting of the Schreiber Elementary Home & School Association which was held in Rosspport, at their request. Parents had an opportunity to interview the teachers prior to the meeting.

The Secretary's and Treasurer's reports as presented by Mrs. H. Jartus and Mr. R. Grant were adopted as read.

The Grade 8 graduation exercises were discussed and two parents were chosen for the planning committee, namely: Mrs. Flora Bryson and Mrs. Millie Glad. Two students and two teachers would be chosen at school and they would plan the programme and bring the details to the June meeting.

The Field Day and Play Day dates were set for June 15th, weather permitting.

It was decided to hold a Bake Sale in Chapples Store on Friday, May 21st at 2 p.m. All Public School parents will be contacted for baking or donation by the committee which consists of Mesdames F. Bryson, H. Jartus, D. Lengyel, M. Doig, and Mrs. Lark. Mrs. Bouchard offered to look after Rosspport.

Mrs. Margaret Averill, Special Education Consultant for Lake Superior Board of Education was the guest speaker for the evening. Her informal manner in talking to the parents as to how they could best work and play and talk to their children - right from babyhood to school age was most enthusiastically received. She stressed how important it is for the parents to read and talk to little children as the Mother particularly is the first educator in a child's life. Also stressed was stability in the home and also the learning of social graces from three years of age and up. Also that a physical education programme enhanced the
