

W.I. Birthday - cont'd from page 16 .....

"To raise the standard of home-making" is still a main objective but has been expanded to cover many interests in community and country - in health, food, crafts and varied training. There are W.I.'s in sixty-five countries now, and February '72 will mark the organization's 75th anniversary.

Mrs. Boyko brought greetings from the district associations and paid tribute to the contribution the Schreiber chapter makes to its community. She mentioned the Short Courses sponsored by the W.I. which educates, trains and frequently reveals a talent which has remained unrecognized or unknown.

Members agreed to continue the bursary offered to grade eight in both the Public School and Separate School.

At the close of the meeting Mrs. Jim Crook, accompanied by Mrs. J.D. Bryson, sang "Mother", an old song.

The afternoon ended with supper and much visiting around the long decorated table centred with a special cake and spaced with candles.

Keeve F.V. Harness brought the congratulations of the town council and the community and speaking of the changes taking place in this part of the province he said Schreiber will be having its share and as before, the Women's Institute will be contributing their part.

Gifts were presented to Mrs. Meredith and Mrs. Boyko and to Mrs. J.D. Bryson, for many years the W.I. pianist.
