

SCHREIBER DETACHMENT O.P.P. WEEKLY REPORT

On June 21, 1971, Mr. Michael Mackin, 150 Spencer Ave., Sausalito, California, reported the loss of his wallet containing cash, travellers cheques and personal papers, in Rossport Provincial Park Area. Any person having information relating to this loss, kindly advise this office.

Three liquor investigations were made during the week. Several persons have been charged with liquor violations as a result and will appear in court at a later date.

On June 21, 1971, Pierre Theriault, Schreiber, reported theft of his auto from Black Fox Lake Area. Vehicle was recovered five miles west of Schreiber, abandoned. Investigation by Prov. Const. Wills is continuing.

On June 21, Mr. Robert Michael Nason, Wright-Patterson Airforce base, Dayton, Ohio, reported the theft of his wallet by persons who had assisted him when he had a mishap with his motorcycle near Pays Plat. Anyone who may have witnessed this incident, which occurred 3:30 p.m., and could give any information, kindly contact Schreiber Detachment.

One investigation was conducted concerning theft of bus tickets from a local restaurant. Charges have been laid in this connection - P.C. Wills investigated.

On June 26, 1971, several persons had their car tires slashed. Charges will be laid. P.C. Lapworth investigated.

On the traffic scene, two collisions occurred. On June 20, 1971, Mr. Albert Hill, Sudbury, Ontario struck and killed a moose near Little Pic River, causing approximately \$400. damage to his car. Prov. Const. R.C. Flannigan, of Marathon Detachment, investigated.

On June 26, 1971, Mr. David McLellan of Schreiber collided with guide posts situated 6 miles east of Schreiber causing approximately \$700. damage to his car.

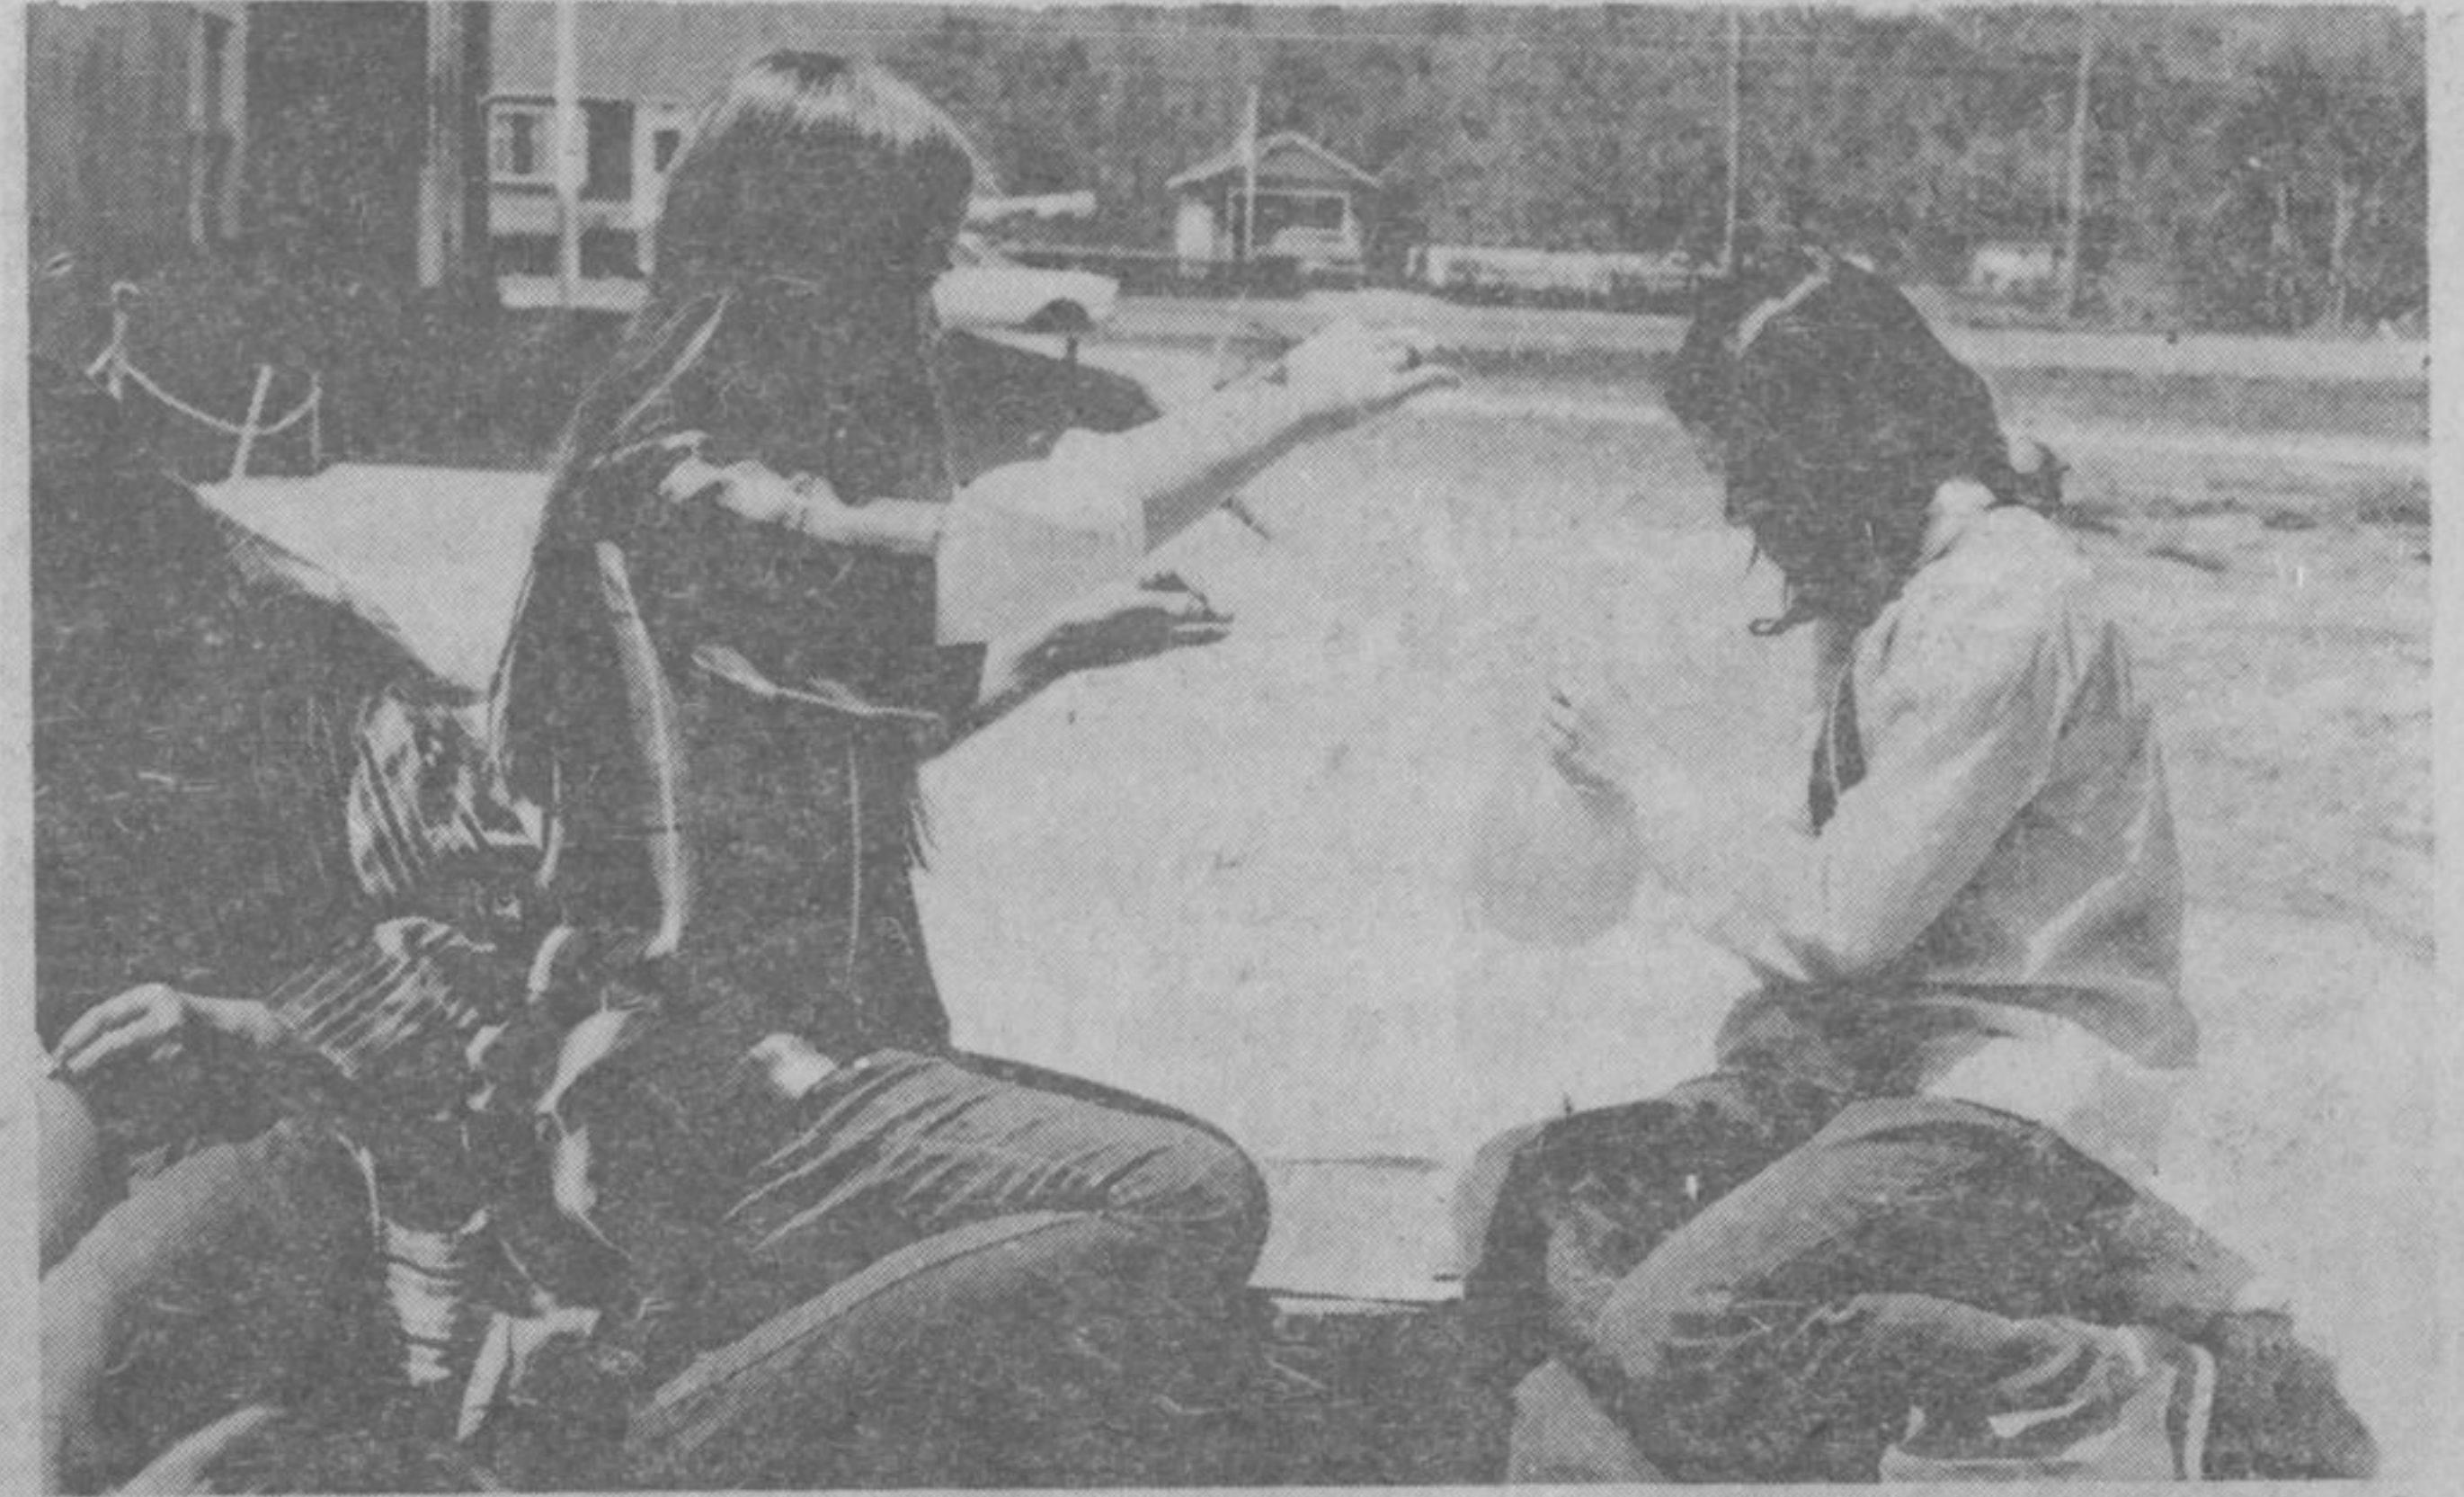

Traffic has become noticeably heavier. PLEASE DRIVE CAREFULLY - DON'T BECOME A STATISTIC.

Some trees like White Birch need lots of light while others like Hemlock can tolerate shade.

**THE ANGEL'S HARP**

The grade sevens are pictured here engaged in an art lesson with balloons and posted string. The completed product can be used for colourful mobiles.

**NOTICE**

THERE HAVE BEEN RECENT INSTANCES OF PEOPLE CONTINUING TO DISREGARD OUR POSTED "NO DUMPING" NOTICES AND ARE DUMPING LITTER, BACKYARD TRASH, WRECKED AUTOMOBILES AND OTHER MISCELLANEOUS GARBAGE IN WOODED AREAS AND ABANDONED GRAVEL PITS ON KIMBERLY-CLARK PROPERTY. IN THE MOST ACCESSIBLE AREAS WE HAVE FOUND IT NECESSARY TO POST "NO DUMPING" SIGNS TO DISCOURAGE THIS PRACTICE.

THIS LITTERING IS UNNECESSARY SINCE THE PROPER PLACE FOR TRASH, GARBAGE, LITTER, ETC., IS THE "SANITARY LAND FILL AREA" LOCATED EAST OF TOWN.

WE ARE PREPARED TO GIVE ASSISTANCE IN DISPOSING OF WRECKED AUTOMOBILES, IF A REQUEST IS MADE TO THE SERVICES DEPARTMENT. IF, HOWEVER, WE FIND ABANDONED AUTOMOBILES FOR TRASH ON THESE PROPERTIES WE WILL MAKE AN EFFORT TO IDENTIFY AND LOCATE THOSE RESPONSIBLE AND HAVE THEM REMOVE IT.

WE REQUEST YOUR CO-OPERATION IN HELPING TO ELIMINATE LITTERING ON OUR PROPERTIES
