PUBLIC SCHOOL GRADUATION

Tuesday, June 29th, parents and fiends gathered in the grade 8 classroom to witness the presentation of certificates to the graduating class. At 7:30 p.m. Mr. Briscoe, principal, opened the ceremony; then introduced Mr. Lumley, the grade eight teacher. In his brief address Mr. Lumley encouraged the students to work diligently and to strive towards becoming happy, well-adjusted citizens. Following Mr. Lumley's congratulatory address, Mr. Briscoe showed and commented upon photographs of the grade eight's recent excursion to Toronto.

Students read short narratives about the event of each day when the class was on the excursion: Sally Turner read the events of Monday, June 7th, while the other days' events were read by Nora Mikus, Don Hamilton, Clarke Gander, Alan Dorland and Gail Gould. Everyone displayed considerable enthusiasm over this reenactment of the entire excursion. Mr. Briscoe explained how the whole excursion project was a remarkable achievement.

Then, another remarkable achievement was acknowledged as Mrs. Ballentine awarded the Legion Proficiency Award to Don Hamilton on behalf of the Ladies Auxiliary to the Royal Canadian Legion, Branch 223. Don well deserved this award since throughout the year he displayed a sincere desire to succeed and showed a sense of responsibility and an interest in other people.

After thanking Mrs. Ballentine, Mr. Briscoe addressed the graduates and explained how this, as other grade eight classes before, was a unique, yet interesting challenge which provided a rewarding experience.

Rolly Sinotte and Rolly Gander decided to see if the course was as tough as some were claiming. Sinotte tried to pick up a caddy at No. 2 green but Mr. Bruin just looked down disdainfully from the rock where he had climbed refusing any help.

Thor Olsen thought for a moment he had won the reward when a raven dropped a ball behind him. Sorry Thor wrong ball.

Dick Rattray won low gross in last weeks twilight in the "A" event while B. Hanley and K. Thomas tied for low net.
