

7¢ Postage Stamp - cont'd from page 4 .....  
 used this theme by illustrating communications  
 and transportation media which link the regions  
 together.

The same "Communications and Transportation" design appears on the new 7¢ issue. The communications aspect is represented by a microwave tower and the transportation aspect by a variety of land, air and water vehicles. As in the previous denominations a portrait of Queen Elizabeth, engraved from a photograph by Anthony Buckley, is incorporated on the right side of the stamp.

### ART TREK

A reminder that the Recreation Office is still receiving registrations for ART TREK. Here is your opportunity to take advantage of top-notch instruction for a two-day period at practically no cost. Why not call the Recreation Office and register? This two-day Art Workshop will be held at the Terrace Bay Recreation Centre on July 26th-27th and is available to anyone 10 years of age and over who is a member in good standing of the Terrace Bay Recreation Association.

The instructors for this Art Workshop are quite prepared to deal with all age groups starting from 10 years of age and up. For example, the instructors will work with sub groups such as adults, teens, and pre-teens. All supplies and materials, as well as instruction, will be provided for YOU - the person interested in all aspects of art, particularly acrylics, batik and water colours.

This programme is being provided for the citizens of Terrace Bay by the Youth and Recreation Branch of the Department of Education. Here is a tremendous opportunity for the people of this community to take advantage of this provincial programme, so let's have people take part in it.

If you have further questions regarding this programme, be sure to call the Recreation Office at 3542. WHY NOT REGISTER TODAY?

Pony League - Practises are still being held on a weekly basis on Monday nights at 7:15 p.m. at St. Martin's School field for boys eligible to play in the Pony League (15 and 16 years of age). If you want to be part of the action, be sure to attend these practises as Coach George Dashkewytch, Jr. is trying to get the team in shape by mid July for exhibition games this summer.

### ROLLER SKATING CANCELLED

Due to poor turnouts at all roller skating sessions, we are forced to cancel this programme until the latter part of August or the early part of September. The number of people turning out to these sessions did not justify the continuance of this programme.

We will give this programme another try later on this summer.
