AGUASABON GOLF CLUB

Some time during the night of July 9th, someone drove a vehicle on No. 2 fairway and green. While doing this, they did considerable damage to No. 2 green, as can be seen by the photograph. The Aguasabon Golf Club is offering a \$50.00 REWARD for information which will lead to the arrest and conviction of the person or persons responsible for this act. It will probably take a year for us to get this green back into condition. If this action continues, it could ruin the entire course.
