

### Schreiber Town Topics

Mrs. Annie West of Thunder Bay was a recent visitor to Schreiber, visiting with Mr. and Mrs. W. Paradis and other relatives here.

A reunion between two men who had played ball together almost 50 years ago was enjoyed last week when Peter Yoanidis of Galt dropped in to visit Lester McCuaig.

Pete was a pitcher for the Lakehead Dominion Club and Lester played second base for the Schreiber team, 1920-24.

Among the former players they could recall were Frank Asquith, Dave Tweedly, Bud McArthur and Davie Tafe, for the Dominions and John St. Jean, Cliff Jacomb, George McBride and Hugh Stewart for Schreiber.

The Dominion club was commonly known as Lamodey's Boys, because a Schreiber railroader had made them his proteges and his summer camp at Selim was their home away-from-home.

Mr. and Mrs. Yates Sr., emigrated from England to Canada in 1918 were forced to leave their son, Cyril, a small child, with relatives. The rest of the family are Canadian born.
