

SKATING REGISTRATION

Registration for skaters will be held on Saturday October 9th from 2 - 4 p.m. in the Craft Room of the Recreation Centre.

Coffee and donuts will be on hand.

We are pleased to announce that we have acquired the services of Mr. Sanford Jones as our Club Professional for the 1971-72 Season.

We are again offering a family rate of \$40.00 for three members of the same family any age group, and \$5.00 each additional member. Names of all members must appear on the application form.

Single Junior under first figure test - \$15.00
Single first figure test and over - \$25.00.

First half dues are payable in advance - second half dues payable on or before January 25th, 1972.

Boys as well as girls are welcome to join with the understanding that the Figure Skating rules must be adhered to.

All members of the Figure Skating Club must be members of the Recreation Association.

All parents of members are asked to help out in dressing rooms and booth during our skating season.

There were five new national Parks in Canada since 1965.

"It's the man about the wiring, ma'am."

It's true, living in any older home without up-to-date wiring just doesn't hold a candle to truly modern electrical living.

The changes that electrical modernization brings will brighten your life throughout every room in your home - for years to come. You'll have more outlets and switches where you want them, better performance from your appliances - and you can even add the year-round comfort of electric climate control.

And rewiring an older home needn't be complicated or expensive. The cost will probably be less than you imagine, and the Hydro Finance Plan makes it easy for you to budget.

For greater comfort and convenience - and an extra margin of safety, too - call your qualified Electrical Modernization contractor. Or ask your Hydro.
