HIGH SCHOOL 1971-72 ATHLETIC PROGRAM

At a recent meeting of the Schreiber-Terrace Bay Physical Education department, Principal and Vice-Principals an outline of the 1971-72 Athletic Program was discussed.

With a student population of 500 students this year an active program is anticipated. One Schreiber-Terrace Bay High School team will compete in all sports in the North Shore Secondary School Athletic Association league, with hopes of also competing in the Northwestern Ontario Secondary School Athletic Association and Ontario Federation Schools Athletic Association. Active schedules are being set for Junior boys and girls teams in sports such as basketball and volleyball. This is feasible because of the larger student population and the availability of two gymnasiums. Junior and senior cheerleaders will complement the teams.

In addition to League Competition it is hoped to have Intercampus Competition. Entries in the Intercampus competition will qualify from Campus Intramural games.

Decisions regarding school colours, crests, uniforms names, etc. will arise from the Schreiber-Terrace Bay Student Council. This Council will be composed of representatives of each Campus Council and Campus Athletic Associations.
