ARE YOU INTERESTED IN .....

A self-improvement course for girls 12 years of age and over? The Recreation Office has recently received enquiries regarding the setting up of a local Self-Improvement Course for girls and women. Based on these enquiries, contact was made with Gloria Moody of the Gloria Moody Charm School in Thunder Bay to determine if such a course could be offered in Terrace Bay. This self-improvement Course would be composed of such things as basic modelling, posture make-up, exercises, etc.

Before any details can be arranged for such a course, the Recreation office would like to determine what the interest would be in such a course.

IF YOU ARE INTERESTED IN TAKING THIS COURSE, BE SURE TO LEAVE YOUR NAME AND PHONE NUMBER AT THE RECREATION OFFICE BY FRIDAY, OCTOBER 8th.

If interest is sufficient to set up this Self-Improvement Course, details regarding the course (cost, number of sessions per week, instructor, etc.) will immediately be forwarded to all those who registered for the course.

If you are in any way interested in taking the course, call the Recreation Office before Oct. 8th!

JUNIOR BADMINTON PROGRAMME

The Terrace Bay Recreation Department will again be sponsoring a Junior Badminton programme for students in Grades 7 and 8 that are members of the Terrace Bay Recreation Association.

Registration forms for this programme are available at the Recreation Office, and if you are interested in taking part in this programme, be sure to pick up a registration form at the Recreation Office.

The programme can accommodate just a limited number of players so be sure to register early.

First session is scheduled for Saturday, October 2nd, at the Terrace Bay High School Auditorium at 10:00 a.m. Registration fee is .50¢ per students to cover the cost of birds. REGISTER NOW!

ARENA ACTIVITIES TO END OCTOBER 8TH

All activities taking place in the arena such as volleyball, tennis, roller skating, floor hockey, etc. will end on Friday, October 8th, to allow sufficient time to prepare the arena for installing ice.
