

ONTARIO

Important message to Ontario residents *aged 65 and over*

On January 1, 1972, hospital and medical insurance premium payments will be abolished for all residents of Ontario 65 years of age and over. This is in keeping with recently announced Ontario Government policy.

This policy will apply to the age of the certificate holder and will include coverage for eligible dependents. Premium-free coverage becomes effective on the first of the month during which a resident becomes 65.

HOW IT WILL WORK

Under the new plan combined coverage will be continued under the resident's present Ontario Hospital Insurance number. The OHSIP billing system will be discontinued. All residents 65 or over who remit Ontario Hospital Insurance premiums on a pay-direct basis will be requested to complete a premium exemption application.

As the insurance records do not identify those who will be eligible for premium-free coverage, the application, when received, should be completed by those 65 and over and returned as soon as possible in the envelope which will be provided.

If you qualify and have already paid premiums to cover benefits after January 1, 1972, a refund will be made for the over-payment.

Unfortunately, until exemption applications are processed we cannot avoid
