On September 30th at the Terrace Bay Motor Hotel, a Kimberly-Clark sponsored retirement luncheon was held for Dan Gillis.

Dan came to Terrace Bay in 1948 starting to work for Fraser Brace Engineering. After mill start-up, he worked as a Screen Room Operator and a Digester Cook, being promoted to Pulp Mill Foreman in 1954.

At his luncheon, T. Olsen acting on behalf of J.A. Ferrier, presented Dan with his Kimberly-Clark lifetime pension and permanent gold pass. Barry Stephen presented him with a coloured picture of Terrace Bay.

Pulp Mill Foremen, E. Glad, R. Beaulieu and L. Crockford were in attendance. J. Lang could not be present due to a death in his family. E. Glad on behalf of the foremen presented Dan with a travel case.

RECREATION NEWS

GIRLS RINGETTE PROGRAMME:

Any girls 12 years of age and over interested in playing Ringette this winter should register at the Recreation Office by October 22nd. All you do to register is leave your name, age, Recreation Disc number and phone number at the Recreation Office.

ADULT HELP WILL BE REQUIRED to operate this year's programme. As each year goes by registrations are getting higher and higher and it is impossible for two people to operate the programme. What about some of the mothers in town? In the past, the time of the Ringette games prevented some mothers to help. This year the Recreation Office is prepared to schedule Ringette games at a time which would be convenient for adults to assist.
