UNICEF HALLOWEEN CANVAS

The Halloween canvas held on behalf of UNICEF by the students of St. Martin's School collected \$163.70 to assist the work of UNICEF throughout the world. There were 111 children from 58 different families involved in this canvas.

Unfortunately, the weather was considerably less than co-operative and the amount collected is amazing when you consider that last year, under better weather conditions only \$160.00 was collected. To all the students who carried their UNICEF collection boxes on the wet trek from door-to-door and to all the people in town who contributed, a sincere "Thank you" from the children in the 112 countries receiving aid from UNICEF.
