COUNCIL QUOTES

Town Council met in regular session on Tuesday evening, with the Reeve and all councillors present.

Councillor Sinotte reported being at the meeting held in the Recreation Centre regarding the earwig problem. Mr. Sinotte stated that Mr. M. Reid of the Health Department was obtaining certain information and would advise the townspeople as soon as possible.

A resolution was received from the Association of Mayors and Reeves, stating that the Province be urged to consult with their Municipal partners to improve the cost sharing to the Municipalities on Pollution Abatement.

The program Reach for the Top is progressing, and it is expected that the Schreiber-Terrace Bay campus will participate.

The McCausland Hospital Board of Governors requested Council to appoint a representative to act as a Board Member (Ex Officio) on an annual basis. Reeve Cavanaugh is happy to announce the appointment of Mrs. Clarence Buck to this office. Mrs. Buck is well qualified, since she was Superintendent of the hospital until her early retirement.

The Department of Transportation and Communications gave approval of the drainage project.

Interim operating reports of Ontario Hydro for the past eight months was examined by Council.

Ontario Hydro advised existing interim rates for Hydro shall remain the same for the time being. A review of rates will be conducted sometime during the coming year.

The Beardmore Recreation Committee requested
