START A BEARD DECEMBER 7TH

Have you always wanted to grow a beard but your wife wouldn't let you - or you were just too timid to start? Now's your chance! And you may grow such a magnificent specimen that you'll get a prize for doing it.

The grapevine has been rumbling for some time about events being scheduled for Terrace Bay's Winter Carnival to be held February 10-11-12 & 13 1972. This announcement is naturally the first confirmed event because, (let's face it) it takes time to grow a beard.

Sponsored by the Terrace Bay Fire Department which will donate three prizes for 1st, 2nd and 3rd place winners, the contest will officially start on December 7th and entry fee will be only one dollar.

Those interested are asked to contact any member of Terrace Bay Fire Department. Further details will be published in future issues of the News.
