Kimberly-Clark Pulp and Paper Company Ltd., advised council Phase one of the Lakeview Extension is now completed, and Phase two will be undertaken in the summer of 1972.

Accounts passed for payment were: Township, \$138,385.18; Hydro, \$11,851.92; Library \$601.55 Recreation Committee, \$8,240.26.

Under new business, councillor R. Sinotte stated he had attended the regular fire practice of the fire department, with the chief and sixteen volunteers present.

The resignation of R. Harris as a volunteer foreman was regretfully accepted, and he will be replaced in the new year.

Reeve Cavanaugh was appointed to represent Schreiber and Terrace Bay on the Board of Directors

of the Thunder Bay District Health Unit.

Reeve Cavanaugh stated he was exhausting all avenues to find a suitable stopping place for the Greyhound Bus. Although the onus should be on the Greyhound Bus lines to find such a place, Reeve Cavanaugh is trying to come up with a solution.

A lengthy discussion took place regarding the danger of operating snowmobiles on municipal streets, sidewalks and public grounds and parks, as well as the late night noise created by these machines. Very close scrutiny will be given to this situation and if the problem continues, stricter legislation will be adopted by council, in the best interest of all concerned.
