

THE ANGEL'S HARP

Pictured below are a group of grade 5 students putting the final touches on a weather vane.

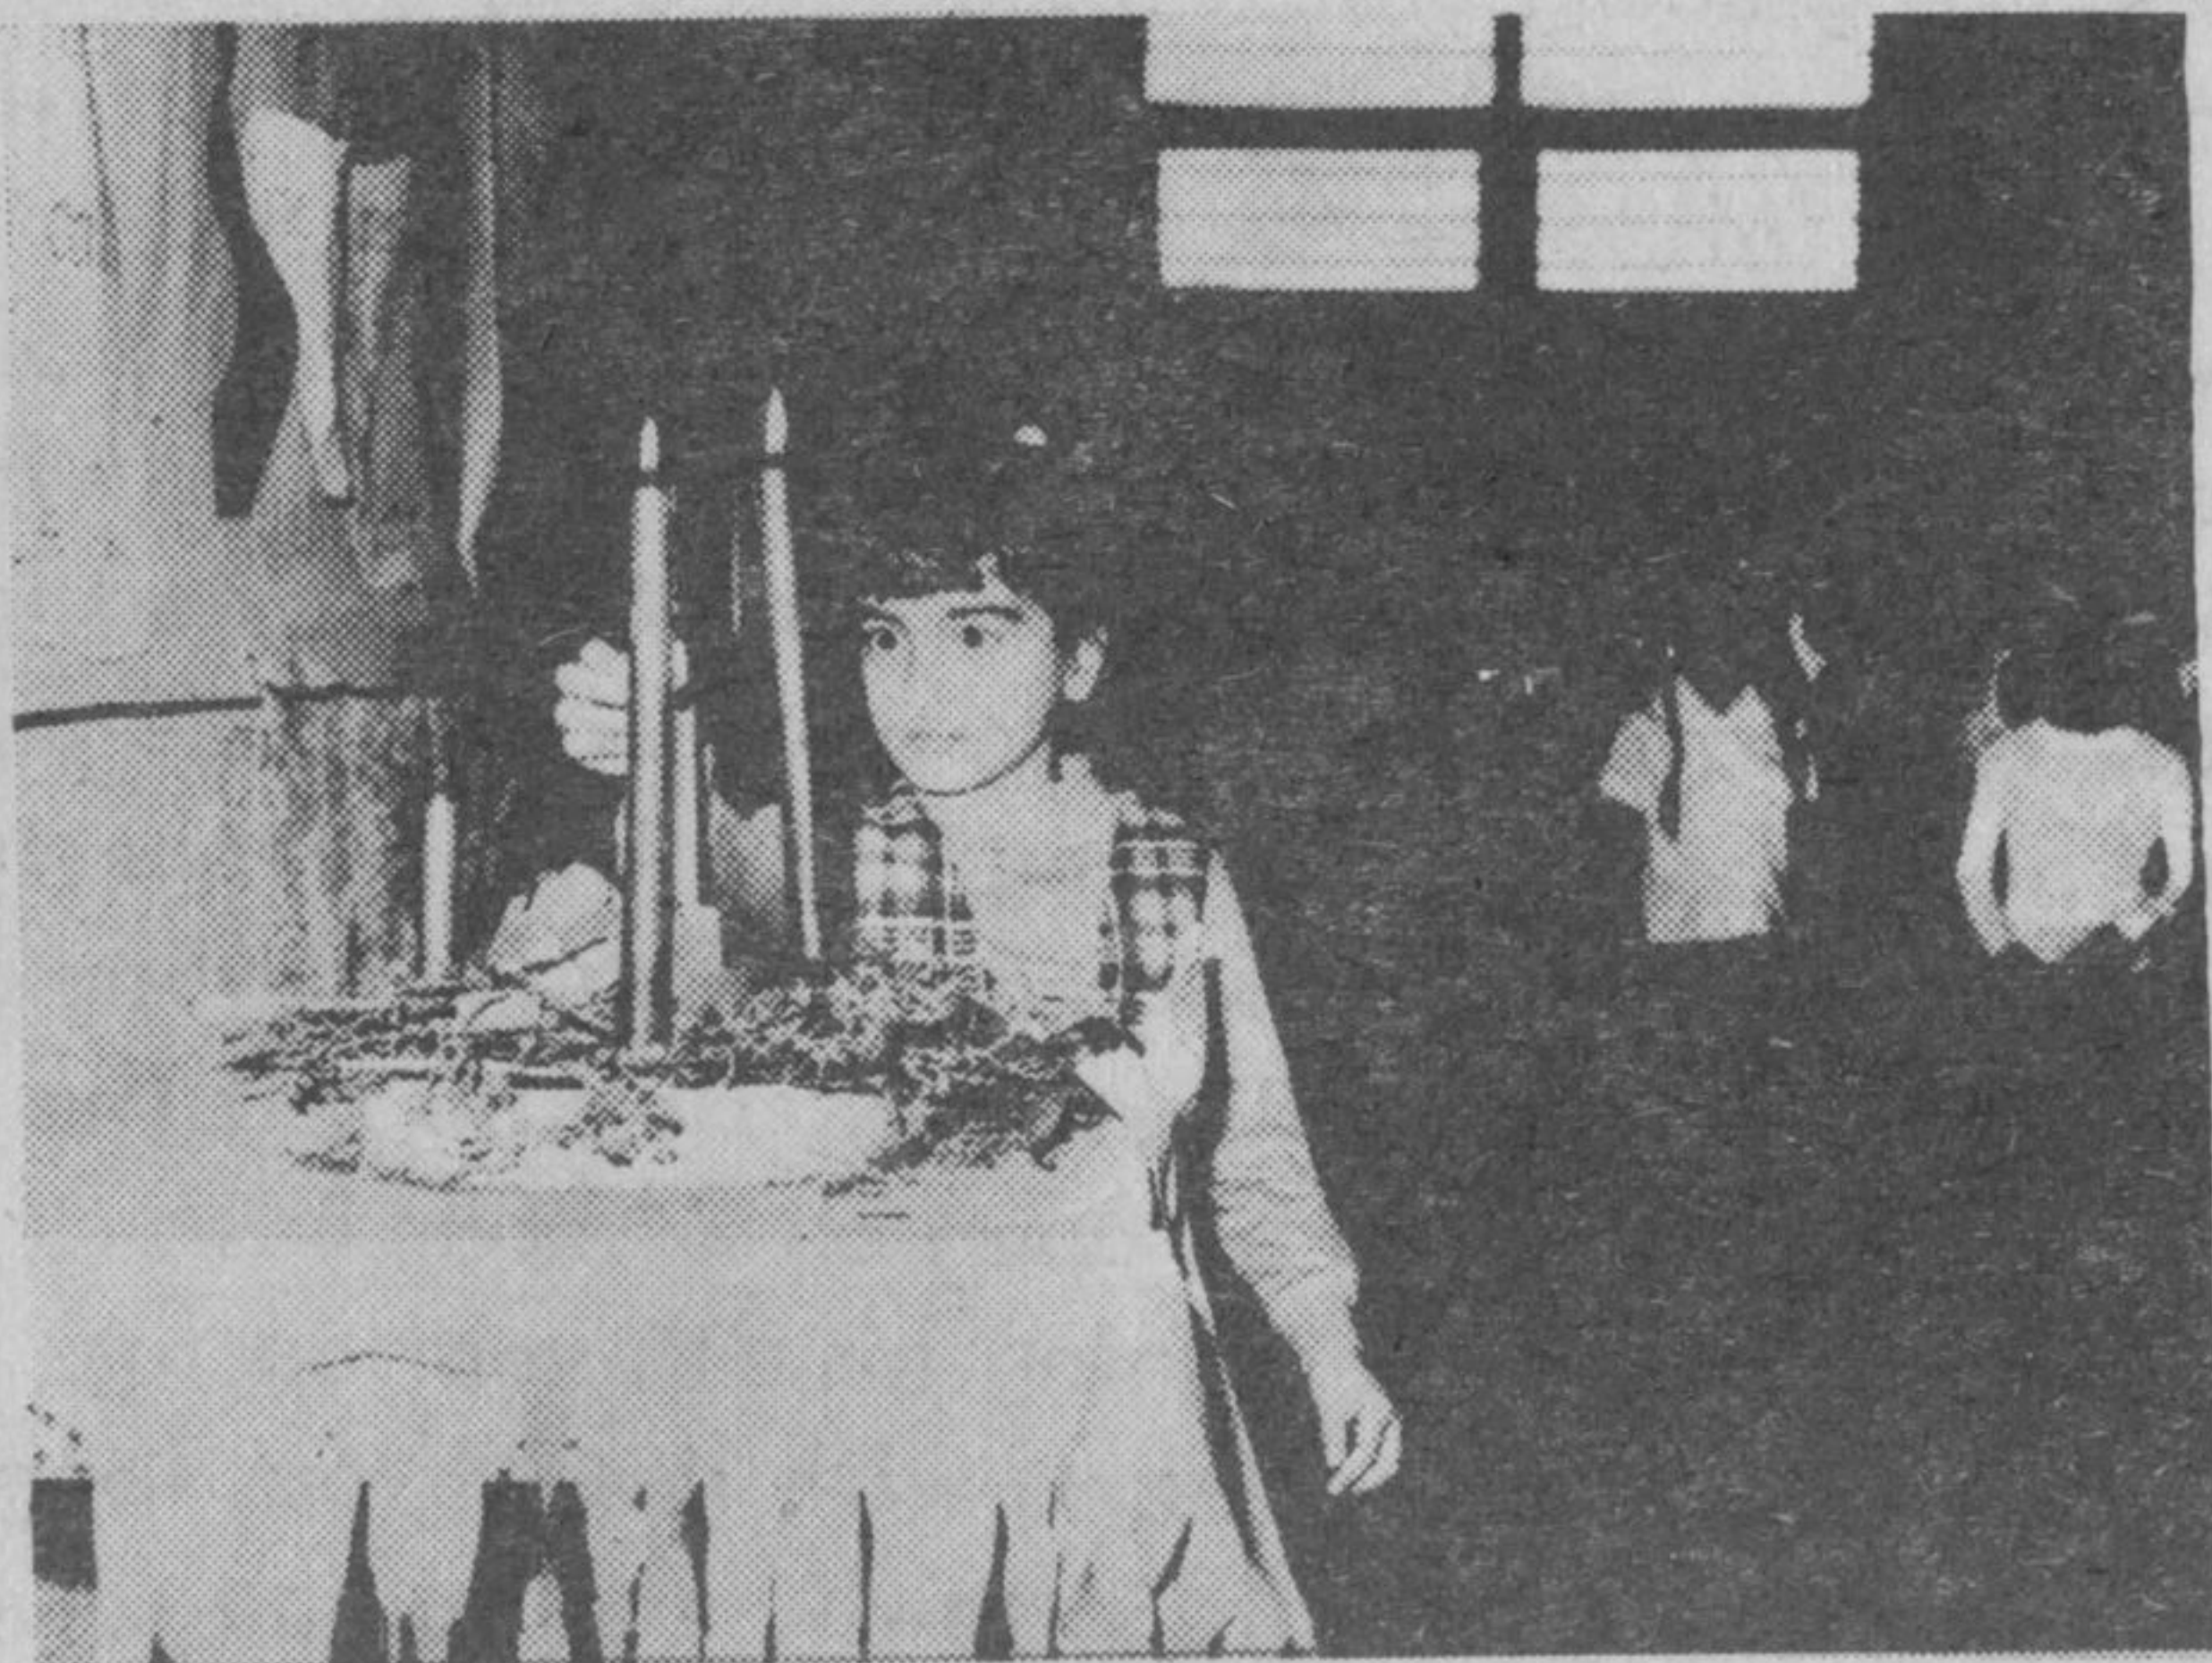

Miss Barb Dick, grade five teacher is pictured below sharing ideas and comments with one of the parents during parent interview week.

Advent Season took on a special meaning for the Kindergarten - grade 4 pupils. Each morning these classes gathered together in the gym to take part in scripture reading and a song, followed by the lighting of the Advent Wreathe. The ceremony was conducted by a different teacher each week.

Pictured below is Laura Costa (Grade I) lighting the Advent Wreathe.

Classroom teachers took the initiative and involved their students in very entertaining Christmas programs. The parents were invited to come and watch the children perform. Refreshments were served. Miss Dick's class (grade 5) put on a Christmas play and Erin Bourke played the part of Santa. She is pictured below distributing goodies to the children.

Miss McPherson's grade 3's also put on an excellent performance. Everyone was proud of their acting ability.
