On Saturday, February 5, Lake Superior High School will be sending a contingent of athletes to take part in the S.S.S.A.A. Invitational Track and Field Indoor Championships being held at Lakehead University.

CURLING NEWS:

Zone Playoffs for the Canadian Schoolboy Championship were held in Red Rock this past weekend. Lake Superior High School was very ably represented by the Werner Hermes rink with Werner at skip position, Leo Legault at third, Steve Payette at second and Jim Corrigan at lead.

The boys defeated Marathon and Nip-Rock on Saturday, but lost to Manitouwadge in the evening game, thus creating a three-way tie for first place between Lake Superior, Nipigon, and Manitouwadge.

The first play-off game on Sunday saw Lake Superior against Manitouwadge again. The score was tied after nine ends, but Manitouwadge had last rock coming home, and their skip used his shot to score a single winning point in the tenth end.

Manitouwadge then went on to defeat Nipigon on Sunday afternoon and will represent our zone in the Northwestern Ontario Finals in Kenora on February 11, 12, and 13.

PLANNING WINTER CARNIVAL:

The Super Student Council held a meeting at Terrace Bay Campus on January 24. The main issue of the meeting was the planning for the forthcoming Winter Carnival which is expected to be held during February. Joint events will be held on both campuses, with activities taking place throughout the entire week. A king and queen will be crowned on Carnival Day to represent Lake Superior High School.

Exam week is from January 31 to February 4, and things are rather quiet as students are busy studying for those detestable exams. "It would be nice if the system of examinations was abolished in all levels of education, except for those students who actually enjoy writing exams", say some of the

students.

The colours black and gold, which had been the original selection as the new colours for Lake Superior High School, cannot be used for the new school since there is another organization in the area with the same colours. Therefore, another vote is to take place and the results should be known in the near future. There will also be a contest for a new school crest; the students will be given more information about this at a later date.
