

Ski Club News

Winter Carnival Events combined with our regular ski club activities made for a very busy skiing weekend.

On Saturday morning instructors classes were held as usual followed by a Race League Slalom event. Results were as follows - Boys Red Division:- 1st B. Megraw; 2nd - P. Prinselaar; 3rd - H. Prinselaar. Boys Blue Division - 1st-R.B. McBride; 2nd - R.S. McBride 3rd- G. Moore. Girls Red Division: - 1st - Leslie McBride; 2nd - Lori McBride; 3rd - M. Fisher. Girls Blue Division :- 1st - A. Stephen; 2nd - C. Moore; 3rd - C. Yates. There are only 2 events left in the race league schedule and in all divisions there is a close fight for the leadership!

On Sunday our float took 2nd place in the Winter Carnival parade. A replica of the Ski Club crest and a map of our runs were featured on the float. These have now been proudly installed as permanent fixtures at our chalet.

A huge crowd was on hand Sunday evening to watch the Winter Carnival skiing events. The novelty race was won by Leslie McBride with Melody Fisher 2nd and Dan Moore 3rd.

The slalom races were run on an elementary match race basis. This was the first time our club has tried this and it proved to be interesting for everybody. First place winners were Bill Megraw, Leigh Ann McBride, Dan Moore and Ann Stephen.

Trophies and ribbons for both Novelty and Slalom events were presented by the Carnival Queen Bonnie McEwen assisted by Carnival Chairman Dan Laporte.

The highlight of the evening was a thrilling torch-light parade with most of the skiers in the club taking part. The run was staged in total darkness except for the light from the sparklers - one held by each skier. It was a sight that everyone present will long remember.

The evening came to a close with a weiner roast to music provided by the Terrace Bay Band. All in all a big weekend!

The Terrace Bay Ski Club would like to extend a big thank you to all persons and organizations who helped us with our Winter Carnival events.

Legion Bowling (cont'd)

208, M. Hammann 255, A. Daley 257, P. Coupal 263 & 308, Y. Leclair 221, 207, S. Gurul 202, H. Duriez 201, J. St. Louis 207, 225, B. St. Louis 213, E. Kettle 211, E. Beddard 211, 248, D. Gunter 213.

Scout News

The Terrace Bay Boy Scouts are still collecting all good used Scout equipment for re-distribution to less affluent Scouts in Armstrong, Ontario. Anyone who is willing to donate uniforms or any camping gear can arrange for pickup by calling one of the following:

Gerrie Dickson	825 - 3865
Wayne Young	825 - 3823

SCHREIBERO.P.P. Annual Dinner Held

The district association of the Ontario Provincial Police held its annual dinner in Schreiber this year, the meal served by the Anglican Church Women in their Church hall. The representatives attending included seven from Nipigon, three from Geraldton, three from Kakabeka, two from Long Lac, six from Thunder Bay, six from Marathon, and four from Schreiber.

After a vote of appreciation to the retiring executive the new officers, Garnet Bownins, chairman, and Wally Kringle, secretary-treasure (both from Thunder Bay) conducted the business meeting.

Corp. Davis Brown, of Thunder Bay, was elected to the board of three men, who deal with the affairs of some 17 districts in Ontario.

The Association now has its headquarters in a new building in Barrie where a manager and staff are on full time duty.

Following the dinner the men went on, by special invitation to spend a few hours in the Royal Canadian Legion, where it might be assumed, some of the lighter aspects of their duties were discussed.

The Schreiber Detachment is a seven man force under the direction of Corp. Ronald Burton.

Home and School

Girls in the public school sewing class proudly displayed the various ensembles they had made, at the Home and School Association meeting on February 3.

Donna Gellert gave an interesting report on the activities of the Outdoor Education classes she had attended. The Arts and Crafts group had an interesting display of their work, and lunch for the meeting was served by the cooking class.

Tom Quinton voiced the regret of the school in losing Mrs. Julie McKay from the staff - Mrs. McKay going with her husband to a new home in Thunder Bay.
