

(Bowling Association continued) Paul Busso, so far, holds the high individual average of 228, with K. Furyk, a steady 189 for the Ladies section of the Mixed section.

The Ladies Afternoon League is no exception to the high scores rolled lately. The high game this week, 256, belongs to Chris Dunham. Ev. Boutilier seems to have had an exceptional night. She took the high triple, 728, for the night and holds it for the year up to this point. Ev. also holds the high individual average of 200.

The Ladies Evening League can't be forgotten either because the ladies produced some scores you wouldn't believe. The high score for that week was hit by Peggy Regis and a 327 at that! Adeline Daley received the high triple that evening with scores of 231, 235 and a heartbreaker 299 to give her 765 total. Not to be left out is Dot Coupal, who holds the individual average of 210.

I would like to mention the 300 games so far:

Tony Costa -	317, 335
Paul Busso -	312
Don Burton -	311
Sheila Dakin -	306
Barb Mendelin -	300
Peggy Regis -	327

Congratulations! The pins for these? They are coming soon. Welcome, Yvonne Leclair, our new member.
