### COTTAGERS BEING QUERIED IN NORTH WESTERN ONTARIO

The department of lands and forests is conducting a telephone survey about cottaging in selected communities of Northwestern Ontario.

The main objectives of the survey in Thunder Bay, Kenora, Fort Frances, Dryden, Atikokan, Terrace Bay, Schreiber, Wawa, and Sioux Lookout, are to determine local demand for cottage lots and to identify the preferences and characteristics of both owners and non-owners of summer cottages.

Characteristics to be examined include location, access, facilities, the number of users, the periods of use and the activities participated in at the cottage. It is anticipated results will be available by late spring of this year.
