

McCAUSLAND HOSPITAL MEETING

A large number of Terrace Bay, Schreiber and area residents attended the first annual meeting of the McCausland Hospital Board, held in the Terrace Bay High School on March 15th, at 7:30. After a few words of welcome, Mr. J.A. Ferrier, Chairman of the interim board, asked for a chairman for the evening to be nominated.

Mr. Bill Hanley was elected to stand as chairman.

An agenda was presented and the first item of business was to have the by-laws confirmed. This was so moved.

Mr. V. Mazzone, Hospital Administrator, presented the financial statement, and it was accepted subject to final audit.

In his administrator's report, Mr. Mazzone stated that in the five months he had been here, he had found he was enjoying his work and the co-operation he had received from the Board of Governors.

Mr. J.A. Ferrier, as chairman of the interim board, stated that he was happy with the progress that has been made in turning the hospital into a public institution. As Manager of the Kimberly-Clark operation in Terrace Bay, who built and maintained the hospital, he was pleased now to take a step down and turn the hospital over to the elected Board of Governors.

Elections took place with the following results - for a 2 year term - Frank Anderson, Thor Olsen, Mrs. Rena MacAdam, Don Beno, and for a one year term, Ray Cook, Bill Kirkpatrick, Barry Stephen and Don Stewart. The board will also contain two representatives from Municipal Council in Terrace Bay and Schreiber, Mrs. Pat Buck and Mrs. Dorothy Rummery, as well as the chief of the medical staff, Dr. A.B. Adey, and the president of the proposed Ladies Auxiliary to the hospital.

A vote of thanks to Mr. Ferrier was proposed by W. Vezina, a retiring member of the Board of Governors.

Mr. Ferrier announced that it was his pleasure on behalf of Kimberly-Clark to turn over the deeds to the hospital, with absolutely no charge to the residents. He called upon Mrs. Beth MacAdam of Schreiber and Mr. George Dashkewytch to accept the deeds, on behalf of their respective communities.

For fine finishing work using Douglas Fir plywood, lay a strip of masking tape over the line of cut. In this way even slight splitting of the veneer surface can be avoided. Douglas Fir plywoods marked PMBC EXTERIOR are bonded with waterproof glue and are available in a variety of widths and grades to suit your needs.

RECREATION NEWSC. BARKER - W. HEINRICH RETIREMENT

On Thursday, March 16th, the Township of Terrace Bay held a retirement dinner at the Terrace Bay Motor Hotel in honour of the retirement of Mr. Willi Heinrich and Mr. Cliff Barker.

Willi and Cliff have been employed by the Township of Terrace Bay for 18 and 17 years respectively and have reached the retirement age for Municipal employees. The Terrace Bay Recreation Committee presented both men with matching wallets and key cases and the Township of Terrace Bay presented them with Township pins. Attending this banquet as guests of Cliff and Willi were Mrs. Wallis Barker and Mr. Archie Heinrich. Representing the Township of Terrace Bay were Reeve W.E. Cavanaugh and Mr. W. Hanley. Representing the Terrace Bay Recreation Committee were Mrs. Ollie Chapman, Mrs. Ellen Hodgkiss and Mr. Jerry Dupas.

Congratulations are extended to Cliff and Willi on reaching their retirement and best wishes to them both for a happy retirement.

TERRACE BAY MIDGETS TO COMPETE IN NORTHWESTERN ONTARIO DISTRICT PLAYOFFS

This past weekend, the Terrace Bay Midgets defeated the Red Rock Midgets by scores of 5-1 and 6-0 to win the 2-game total goal series 11 goals to 1.

The Midgets will now advance to the Northwestern Ontario Midgets Playoffs which will be held in Manitouwadge this year. The championship draw for the weekend is as follows:
