

(continued from page 12) Society. The Kinsmen Club of Schreiber have a Charitable Trust Fund from which any family in Schreiber, Terrace Bay and Marathon requiring assistance can appeal through contact with the Public Health Nurse. Last year six different families in our area were given assistance by way of paying for travel costs to and from Toronto where most specialized treatment takes place.

On behalf of the Ontario Society for Crippled Children, the Kinsmen Club are again asking the public to support this years' campaign. We would also like to thank those who have contributed so generously in the past in order to help a Crippled Child.

SCHREIBER

WOMEN'S INSTITUTE

The Schreiber Women's Institute, at their regular meeting on March 14, planned to celebrate the 75 anniversary of the organization with a potluck supper at the April 11 meeting, with members' families invited as guests. The meeting will begin at 3 p.m. and a card party will follow the supper.

A dessert tea was planned for May 6 in the town hall from 3 - 5:30, the public cordially invited for a small admission fee.

Mrs. John Morris presided for the meeting with 13 members attending. They wore a touch of green and donated salt and peppers and pickle dishes to the supply cupboard. Thank-you notes were received from Mrs. T. Singleton for use of the baby scales and from Mrs. T. Peltier for the baby party.

The book 'Women's Institute Story' will be circulated among the members to read before donating it to the Public Library.

Information and forms regarding short courses, training courses and Food Forums were received from the Home Economist in Thunder Bay. Members chose, from the Food Forum, A Dollars' Worth of Meat, as first choice and Desserts with low calorie
