SOCIETY'S SPRING ACTIVITIES

The Board of Directors of the Terrace Bay Horticultural Society met on March 27 for their second meeting in 1972.

Plans for the semi-annual meeting, which will be held on Thursday, April 27 at 8:00 p.m. in the large meeting room of the Recreation Centre, were discussed and finalized.

Four Trillium Awards will again be awarded to the most attractive front yards in Schreiber and Terrace Bay.

John and Irene Steen were appointed to attend the District Meeting in the Lakehead on April 14. Mr. Koke will be supplying our bedding plants and membership premiums. Buy your membership cards before May 15, and be assured of a bright Begonia Tuberos Maxima to brighten a corner. Memberships are selling well under the chairmanship of Mrs. Donna Josus. Contact her or any director, if we haven't contacted you.

Mr. Steen reports several orders for fertilizers and other gardening needs and reminds others to place their orders now. He expects to have his first quota ready for pick-up by the end of April. If you'd like your soil analysed, contact our president and he'll see that your sample is tested.

We hope to see you at our spring meeting on April 27th. Door prizes, local slides and lunch.
