GRADE 8 WORK-A-THON

The new trend in the younger generation's thinking is clearly shown in the latest project of grade 8, Schreiber public school. Presently raising funds for a trip to southern Ontario, they have planned, with the municipality's blessings, a Work-A-Thon, when they will conduct a clean-up on town streets and lanes, and ravines. As is done for walk-a-thons they will solicit sponsors and it is hoped the public will support their promise of a maximum of nine hours work.

On their excursion, May 25 - June 4, they hope to visit Sault Ste. Marie, Niagara Falls, Hamilton, and Toronto, and also spend a few days on a farm in Grey County where billets have been arranged.

The occasion! An outdoor workshop sponsored by the Schreiber-Terrace Bay (O.E.C.T.A.) Ontario Elementary Catholic Teachers Association.

The purposes: survival in the wilderness; an experience to be absorbed and used with our students; enjoyment.

The workshop was conducted by Mr. Gordy Savoy
