"Just as a starter, I'll have the pheasant."

**Building plywood boats**

The new FIR PLYWOOD BOAT PLAN CATALOGUE published by the Council of the Forest Industries of British Columbia lists over 100 plans for plywood boats that can be built by the amateur builder. Boat plans listed in this 45 page catalogue include: Dinghies, Surfboards, Canoes and Kayaks, Power and Sailboats, House-

boats and Commercial Craft. Each listing contains an illustration and description of the boat (including principal dimensions), plus the cost of the plan and where to buy it. Any handyman with basic woodworking skills and an ability to follow instructions can turn out a sound tight boat thanks to plywood. But the first-
