HAROLD MARSH HONOURED ON RETIREMENT

On March 30th, at the Terrace Bay Motor Hotel, a Kimberly-Clark sponsored luncheon was held for Harold Marsh.

Harold had more than twenty-five years of service with Kimberly-Clark Pulp and Paper Company. He started work in the warehouse on May 27th, 1946 and in 1948 he was promoted to Head Storekeeper.

At his luncheon, Mill Manager J.A. Ferrier presented Harold with his Kimberly-Clark lifetime pension and permanent gold pass. Al Pattison presented him with a coloured picture of Terrace Bay. Harold's special guests at the luncheon were Peggy Wellings, Bert Ratchford, John Graham and Bob Wallwin. These guests were among the first employees who started to work with Harold in the Warehouse and Harold had some amusing anecdotes relating to the early days in the Warehouse and in the community. Other guests were Verl Thompson and Jim Beddard from the Industrial Relations Department.

On the same day at 4:30 p.m. a group of Harold's friends gathered at Al Pattison's home for a social hour and presented him with a retirement gift.

Harold and Isabelle Marsh will continue to reside at 186 Laurier Avenue in Terrace Bay.

Best wishes go out to Harold and Isabelle for many happy years of retirement.
