HOSPITAL NEWS

The newly elected Board of Governors of the McCausland Hospital held a Special Meeting on March 20, 1972 to elect their officers. They are Frank Anderson - President, Donald Beno - Vice-President, and Rena McAdam - Treasurer. The Standing Committee have been formed and plans are being made for the future.

The Board reports 766 memberships in The McCausland Hospital Corporation have been sold to date. Such an achievement would not have been possible without the help of those people who volunteered their time and enthusiasm to go out and seek memberships. To those people and to all who became members, the Board extends its sincere thanks. This was a most gratifying response and it is hoped that this spirit of cooperation and community support will continue to grow.

Since Hospital Week comes in May, this would be an opportune time for the ladies of the communities to consider the formation of an Auxiliary to the hospital.

Memberships to The McCausland Hospital Corporation are still available until April 30, 1972 from Mr. V. Mazzone, Administrator. Anyone interested should contact him before that date.

- b) group study projects in the region itself
- c) camping session

The itinerary described in Annex II may be modified at the discretion of the session directors who will inevitably be taking into consideration the resources offered by the area, and the suggestions made by the participants. The latter will be encouraged to show initiative in certain projects. The programme comes to a close in the session area itself.

At the end of March, the Travel and Exchange Division will be sending out the Contact Canada brochure and accompanying application forms to the organizations.

The programme is open to all those who meet the admission criteria and the organizations may submit any number of candidates.

Application forms may be obtained from Mrs. W. Clemens, Secretary of Schreiber Women's Institute, Schreiber, Ontario.

The application deadline is May 1, 1972. The selection of the participants will be done by the Travel and Exchange Division and the decision of the jury is final.
