

SPRING MEETING WELL ATTENDED

The Horticultural Society's annual spring meeting held on Thursday, April 27, was very well attended and most enjoyable.

John Steen presided. The minutes of the '71 spring meeting were read by our new secretary, Elaine Mannisto, and adopted as read. Membership sales under the direction of Donna Josus have gone well with over 180 members to date.

Irene and John Steen attended the District Meeting in Thunder Bay. They benefited from the exchange of ideas but felt our own Club compared very favorably with other clubs in its overall activities.

Some suggestions for consideration in the future were presented by members from the floor. One worthy of special thought was the idea of a tree planting program to replace those already gone and to maintain the present beauty of the community.

Mrs. Hilda Hiebert was presented with an Ontario Horticultural Association Service Diploma for her dedicated work over the past many years.

Irene Steen showed slides on gardens and flowers in Terrace Bay, illustrating what can be done with a bit of luck, a green thumb and hard work.

Several lovely Begonias and Primrose plants as well as seeds were given to the lucky winners of door prizes.

Lunch and conversation ended a pleasant evening.

PENINSULA RACEWAY NEWS

To date there is one hobby stock and four late model cars registered for the 1972 season. Now we all know that there are more cars going to race this season, so come on drivers get your cars registered before May 15, 1972. Remember, after May 15 any number not registered is considered open.

We are hoping to start work at the track within two weeks as we have quite a few renovations to be made before the season opens in June.

Inquiries from interested persons or organizations concerning the operation of the concession stand at Peninsula Raceway are now being accepted. Inquiries can be made to the Auto-Krats Car Club, Box 857, Marathon.

Remember new rules for the '72-'73 racing season are available from W.A. Kallio or John Moore or by writing to Peninsula Raceway, Box 857, Marathon. Rules are 25¢ per copy.

KEITH PENNER WINS NOMINATION

There was an excitement in the air. One by one the presidents of the liberal associations from each community rose to add their support to the motion ... Carl Hanson of Atikokan, Bill Matson of Dryden, Reeve Cavanaugh of Terrace Bay and so on. It was the highlight of a well attended Thunder Bay Federal Riding Association Nomination Meeting held April 22nd in Red Rock.

The motion presented by Gus Champlain of Marathon placed the name of Keith Penner before the estimated 200 delegates representing communities from Manitowadge in the east to Dryden in the west. Then came the motion to close nominations but, Birks Werrett, chairman of the meeting, asked for a few more moments to allow for other nominations. None came, and roar of approval swept the room as Keith Penner was declared the unanimous choice to represent the Liberal Party in the next federal election.

Also attending the meeting from Terrace Bay along with Reeve and Mrs. W.E. Cavanaugh were Mr. and Mrs. G. Ramsey, Mr. and Mrs. Dick Baron, Mr. and Mrs. Mike Anderson, Mr. and Mrs. J. Marcella, Jr. and Mr. Morris Dozois.
