

AUDIO-VISUAL WORKSHOP

Bill Heider and Phil Mostow, from the Department of Education, held an audio-visual workshop for grade school and high school teachers of Schreiber and Terrace Bay. After morning and afternoon sessions aimed at familiarizing teachers with the equipment and operating techniques, the teachers were divided into groups, with each given the assignment of reproducing and taping a television show. One group produced a modified version of Password and the other the You Are There program.

Under the guidance of Mrs. Margaret Averill, special education consultant, for The Lake Superior Board of Education, four teachers of the Lake Superior High School were instructed in techniques of testing and instruction in the areas of remedial and developmental reading. This workshop, the last of a course which began in February last, is aimed at preparing teachers for handling remedial English courses next year.

AUXILIARY INCREASES MEMBERSHIP

Four new members were initiated into membership of the ladies' auxiliary to the Royal Canadian Legion, Br. 109 by Mrs. Georgina Davis, at the regular meeting on May 3rd - Mrs. Patsy (Robert) Kinney, Mrs. Billie Ann (Russel) Saarinen, Mrs. Jo-Anne (Wayne) Pearen, Mrs. Connie (Rodney) Bryson.

Plans were completed for the 25th Anniversary celebration of the auxiliary on May 20th.

Mrs. Iris Lidkea agreed to convene the fund collection for the Salvation Army, an annual project of the auxiliary for many years.

Members were asked to bring their donations to the Legion for the Penny Auction on May 26th at 7:30 p.m. in the town hall.

Tentative plans were made for the Legion zone meeting, being held in Schreiber on June 10th and a bowling party suggested for women.

Mrs. Bobbie Winters reported on the district meeting held in Geraldton which she and Mrs. Davis had attended.

Although the Sunday night bingos and the Saturday kitchen projects are successful, more workers are urgently needed. Mrs. Beth Macadam described plans to form an auxiliary for the McCausland Hospital.
