He said the auxiliary could do a great deal in presenting good public relations with the communities at large. AGUASABON LADIES GOLF CLUB NEWS

Another golf season is here and although the weather has been a bit cool, a few of the ladies have been out on the course.

The first ladies Twilight will be held on Tuesday, May 23rd at 6:00 p.m., and following the Twilight the semi-annual meeting of the Ladies Section will be held in the Club house. We would like to see as many ladies as possible come out for the Twilight. If you are unable to come out to the Twilight do come down to the club house for the meeting, which should start at approximately 8:30 p.m. You do not have to be a member of the Club to attend the meeting - we welcome all prospective members.

The Executive members of the Ladies Section are: Ivy Pattison, Past President; Peggy Wellings, President; Jeannette Gunter, Vice-President; Elizabeth McLeod Secretary-Treasurer; Directors are Ollie Chapman, Jan Hall, Marg Phillips, Julie Rattray and Mildred van Eeden.

We are hoping to get a few junior girls interested in the game of golf this year. Junior girls are welcome to the meeting and if unable to attend should submit their names to Peggy Wellings.

But Consumers' Association of Canada warns that this bicycle is strictly a plaything, unsafe on public roads, because the position of the rider is such that balance and steering are adversely affected.
