Notice to All Parents re: June Dismissal

The following is extracted from Memorandum #52 from the Ontario Department of Education as a directive to School Boards in Ontario: "The Department is desirous of providing the maximum flexibility to all schools, ... It is recommended, therefore, that such matters be decided in the light of the School Board's Policy and the arrangements made by the principal and staff within that policy. Such arrangements should include, ... the use of the school and its facilities both during and after any final examination period.

It is expected that such School Board will ensure that full use of its facilities and personnel is made to the end of the school year, in accordance with the provisions of Section 34.1 of the Schools Administration Act."

In accordance with the above directive from the Ontario Department of Education, The Lake Superior Board of Education passed the following resolution:
