Citizenship Day:

Lake Superior High School observed Citizenship Day on May 19, 1972 when the students and staff from both Schreiber and Terrace Bay Campuses assembled in the Schreiber Campus gymnasium to participate in a programme organized by Mr. F. Angelini with the assistance of the students. Tony Commisso opened the programme by playing the Centennial Song, Canada, on the piano.

The Principal, Mr. E.E. Forgues, then addressed the students as did Miss Dale Boutilier, President of the Student Council, on the "Significance of Citizenship Day".

The two winners of the recent Citizenship essay contest sponsored by the History Department were then announced. Ricky Dietrich and Debbie Smith were awarded prizes of \$5 each which were presented by Mr. F. Angelini. Ricky and Debbie then read their winning essays.

Russell Roffey, Holly McKay and Corned Prinselaar then presented a skit entitled "Bienvenue au Quebec" a light-hearted view of our bi-cultural heritage.

Joyce Cluett read a poem of her own composition entitled "Poem", which expressed her feelings on Canada.

For a musical view of Canada, Robin Smith entertained the assembly by singing the "Railroad Trilogy". This was followed by Herb Holmes' skit entitled "Trudeau's Phone Call to Nixon".

On the historical side, Anne Needham read the poem entitled "Canada: A Case History".

Robin Smith and Cathy Stokes took another musical look at Canada through their songs, "Four Strong Winds" and "Pussywillows and Cattails".

The programme closed with Tonny Commisso pro-

viding the piano music for the singing of "O Canada" in both English and French, by the entire assembly.

A fish died

because

it couldn't breathe

because

its gills got clogged with silt

because

mud ran into the river

because

there was nothing to trap the rain

because

there was a forest fire

because

someone was careless with fire.

So please, be careful with fire . . .

because

PREVENT FOREST FIRES
