PRESENT FIRE SITUATION

The Ministry of Natural Resources, Geraldton, reported on Monday that 31 forest fires are still burning, of which 15 are under control. 500 men from our own district are fighting the fires, along with trained unit crews from other districts.

East of Hills Port, 8500 acres are burning. The men are using chemical water bombers, staffed by department crews and American Can personnel.

Cool temperatures and the rainfall brought some relief.

Restrictions on open fire areas are still in effect, with a tentative cut-off date of June 12th.

The forecast is for high fire danger continuing.

This warning applies to within parks as well as outside and motorists and campers are urged to use their car ash trays, and when restrictions are lifted not leave campfires without being completely sure it is out.

Good driving calls for developing the knack of thinking for others, says the Ontario Safety League.
