## THE ANGEL'S HARP

On behalf of the staff and students at Holy Angels' a sincere "thank you" goes out to Mr. John Small for his time devoted to the photography of school events. It has created interest and enthusiasm in the school. Your work is appreciated John.

The grade five class from Holy Angels' School under the direction of Miss Barbara Dick exchanged letters, poems and posters with a class from Marathon Public School this past year. The class finally met their mystery friends when they gathered together at the Park for a wiener roast and singsong. The evening was a big success. Special thanks goes out to the parents and teachers who volunteered their time and cars for transportation.
