As a result of a study conducted by Ontario Hydro, relative to Hydro rates in Terrace Bay, a submission was received which would indicate an increase in Hydro rates to Terrace Bay consumers of approximately 12%. Approval will be sought from the Hydro Electric Power Commission of Ontario to adopt new rates effective on all bills issues on and after October 1, 1972. All indications are that a further adjustment will be required in the latter part of 1973.

Your hands keep you in touch with the world.

Take good care of your hands. When you work,

work defensively.

If your job needs protective gloves, wear them. And take time to learn the right way with tools.

A little thought, a little care, can bring you safely through the working day, every day.

The sure way to safety is Self-Defence.
