GOLF NEWS

Don't forget to get your entry in for the Adult-Junior Tournament this Sunday.

Things are shaping up nicely for our Open August 26 & 27. The ladies are going to look after the barbeque this year. To date we have 65 entries so if you don't want to miss the good time (Tournament) get your entry in right away. To cut off is 84 There will be prizes for the championship flight also low gross and low net in three flight, Molson Breweries are sponsoring the "C" Flight.

Teeing Ground:

The Teeing Ground is the starting place for the hole to be played. It is a rectangular area two club-lengths in depth, the front and the sides of which are defined by the outside limits of two markers. A ball is outside the teeing ground when all of it lies outside the stipulated area.

DATE MARKING IN SIGHT

Canadian grocers and manufacturers have been alerted that compulsory, open date marking of perishable foods on their shelves is on the way.

Specific proposals to industry and consumer groups are in the Consumer and Corporate Affairs Department

hopper, a grocers' convention was told recently in Winnipeg.

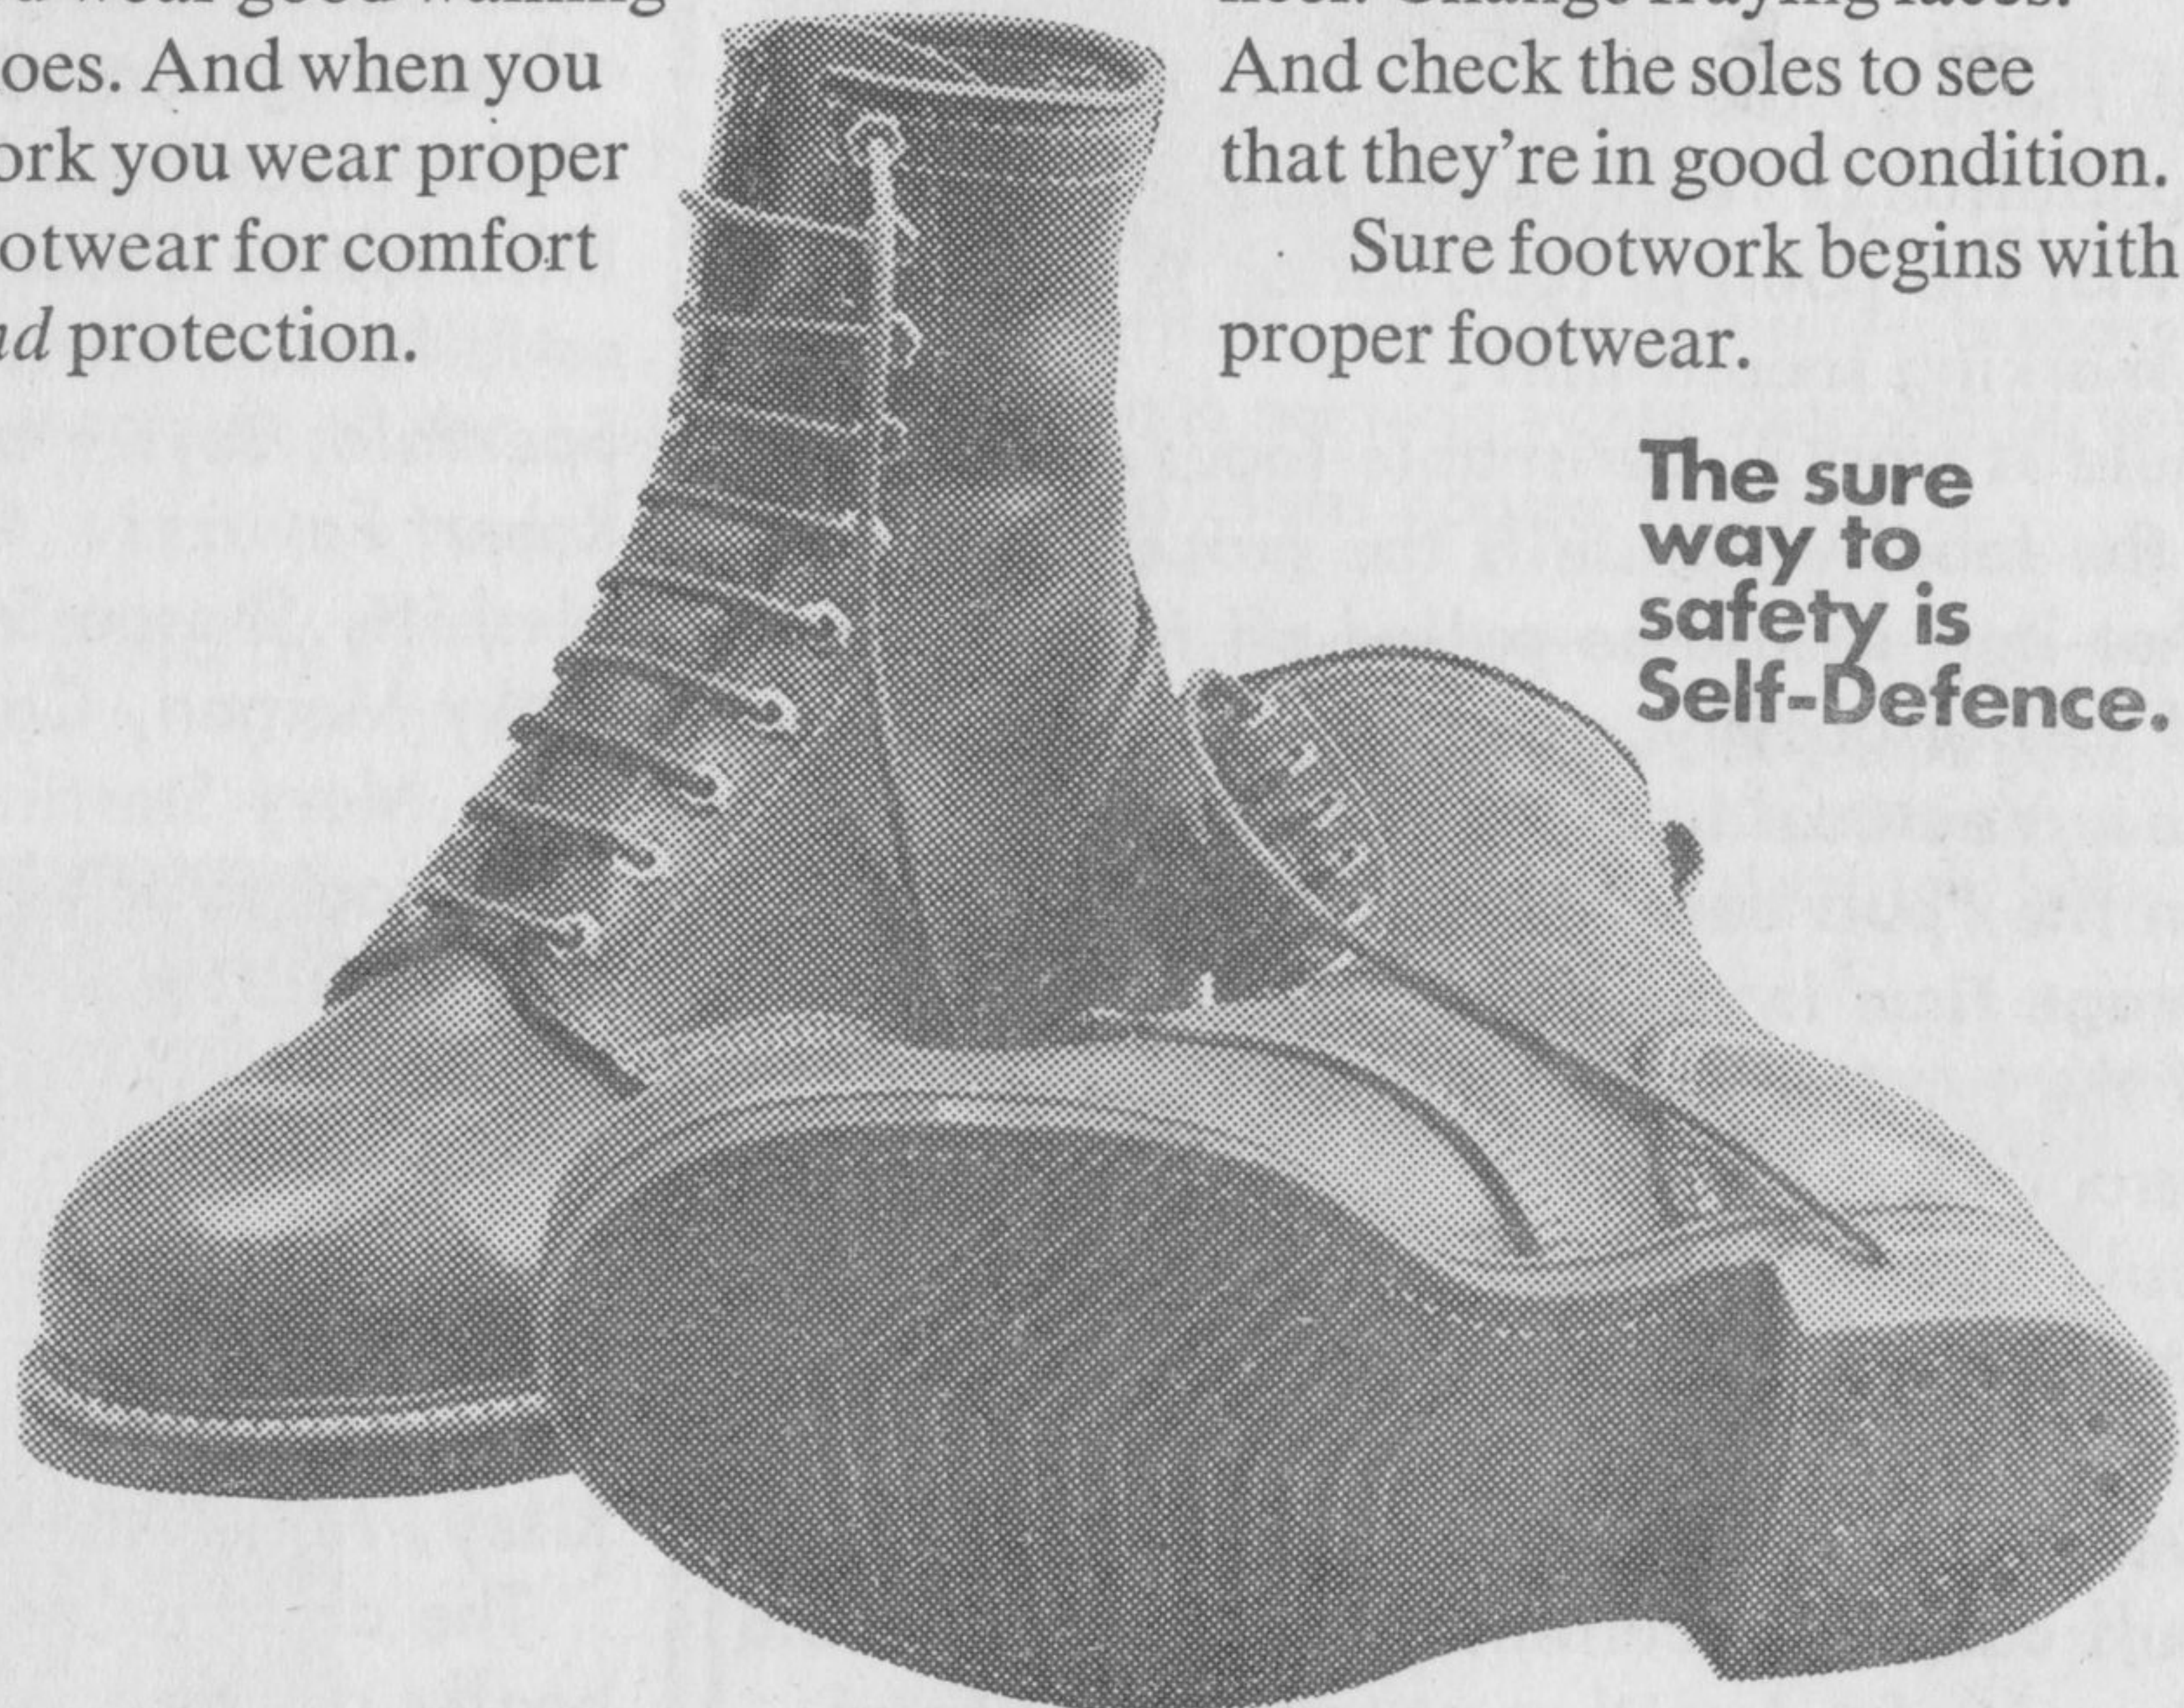

No date for introduction has been set for what the federal government believes is a really worthwhile advance in food labelling. It may pose some problems for the food industry, but date marking hews to a stated purpose of the Department - to provide consumers with the information necessary to make an intelligent, reasoned choice, so that they can make the best use of their food dollars.

And so, open date marking: a response to shoppers and consumer organizations who feel they would benefit through better assurance of quality - perhaps

The footbone's connected to the headbone.

Think about it. When you play tennis, you wear tennis shoes. When you walk, you wear good walking shoes. And when you work you wear proper footwear for comfort and protection.

Take a good look at your shoes. Make sure they're not getting run down at the heel. Change fraying laces. And check the soles to see that they're in good condition. Sure footwork begins with proper footwear.

The sure way to safety is Self-Defence.
