## THE ANGEL'S HARP

Excitement and enthusiasm filled the playground at Holy Angels recently.

It was a time when everyone shared in friendly competition and school spirit. It was "Play Day!"

Games included everything from nail hammering to pole climbing; and of course the pause that refreshes break time.

A special thank you to the parents and young people who assisted the teachers and children.

Winners were chosen from the Junior and Senior grades.

Proudly displaying their first prize ribbons and badges are the "Senior pictured with Father Meyer (page 11) and the Junior Team pictured with Sister Marvel (page 11).

"It is a time for joy, a time for tears, a time that echoes through the years". Perhaps these are some of the afterthoughts of the grade eight students from Holy Angels as the exuberance of their big day died away. And indeed it was a big day for each of them!

- Photos page 11 .....

One easy way to tell the difference between the spruce and balsam fir is to roll the needles between the fingers. Spruce needles are four-sided and roll readily while balsam fir are flat.
