### SWIM POOL AWARDS NIGHT

A very successful Awards Night was held last Friday, September 1st, in the Curling Lounge of the Recreation Centre. Several parents were present, as well as the swimmers who participated in this past summer's Swim Program. Badges were presented to successful Tadpole, Minnow, Pre-Beginner, Beginner, Survival, Junior, Intermediate and Senior swimmers, and ribbons were presented to those who won places in the Terrace Bay Swim Meet and the Northwestern Ontario Open Swimming Championships.

The highlight of the evening was the presentation of the Duriez Trophy for 1972, which was won by Nancy Bouchard. This trophy is in recognition of

the swimmer who showed most progress and interest in the swim programme. The presentation was made by Swim Pool Manager, Mrs. Claire Roen in the absence of Mr. and Mrs. Duriez who were unable to be present.

Congratulations are in order to all the successful swimmers in the 1972 Swim Program and to Mrs. Roen and the Swim Pool Staff for the excellent job they performed this summer. This past summer has seen Terrace Bay win for the first time the North Shore Swim Meet, which was held in Marathon and placed third out of ten entries in the Northwestern Ontario Open Swimming Championships held in Thunder Bay. Also, it is to be noted that a very high passing rate in swim tests was achieved by our swimmers this summer.

Those swimmers who were unable to be present on Friday night to receive their awards may pick them up at the Swim Pool office this week during swim pool hours, which are posted at the Pool.

## Town Topics

An enterprising member of the Community Church, Bill Jones, planned and served a Sunday morning breakfast, at reasonable rates, an hour before the 10 a.m. Worship Service, in the Community Church hall. An hour of fellowship was shared by those who attended, and it is hoped that more people will attend the next breakfast hour, prior to Worship Service next Sunday.

Ruth Soughton has returned from a two month tour overseas, where she travelled through Europe, Africa, and Israel, before going to London, England, to visit relatives and then back to Canada and Terrace Bay.

Karin Lundberg is spending a week with her parents Mr. and Mrs. S. Lundberg and visiting friends in Terrace Bay, prior to returning to York University for her final year.

Suzanne Lemay spent an interesting six weeks in England, studying English Drama at Stratford-on-Avon with a few days in Paris, before returning to Terrace Bay and then taking up her teaching duties at Holy Angels School in Schreiber.
