## FEDERAL ENUMERATORS AROUND THIS WEEK

The Municipal Enumeration has taken place, with Marg Pedersen, Anna McKie and Marge Lundberg knocking at doors, taking the local census.

This week the Federal Enumeration will take place, with the election being called for late October. Your co-operation with the enumerators will be appreciated.

Those calling on houses will be Mrs. Edna Ramsay, Joe Marcella, Mrs. Rita Corrigan and Mrs. Kay Dozois.

## HIRAM WALKER TROPHY WON BY JULIE RATTRAY

When you're hot, you're hot, and when you're not you're not, at least that's the way the old saying goes, and not even a two stroke penalty impeded Julie's chances of winning this net event trophy. Congratulations once again Julie.

Although only 1/2 a stroke behind Julie was Jan Hall the runner up dynamo, but Jan has all winter long to rest up and try again next season.

With a keen eye on concentration, the fewest putts prize went to Olga Adamo and coming prepared with a driver was Ollie Chapman who qualified for the last prize.

Only two more twilights girls, and our schedule is all finished.

October 2nd will be our general meeting. Plans are being finalized, and each golfer will be contacted.

So until next season, keep a stiff upper lip, keep smiling.

## STORK CLUB

The site for the new Legion building on Highway 17, near Fort Garry Road, has been cleared and levelled.

Here we see President, Dave Gunter and Building Committee Members, George Churney, Harry Gusul and Sax Lundberg officially turning the first shovel full of earth. Photo by M. Lundberg.
