Council Quotes - cont'd

without limiting the generality of the foregoing, this shall include garbage, tin cans, discarded machinery automobiles or parts thereof, furniture or any waste material of any kind.

2. The owner or occupant of any grounds, yard or vacant lot in the Township of Terrace Bay on which any junk, or refuse of any kind whatsoever has been or may hereafter be dumped, placed or deposited, shall forthwith remove the same therefrom, to the satisfaction of the Municipal Council.

3. That any person convicted of a breach of any of the provisions of this By-law shall forfeit any pay at the discretion of the Convicting Magistrate, a penalty (exclusive of costs) not exceeding the sum of \$300.00.

TERRACE BAY RESOURCE PROBLEMS DISCUSSED AT MEETING

Mr. R. Sinotte chaired a meeting sponsored by the Chamber of Commerce, with guest speakers, John L. Scott, Department of Northern Development, Marathon and W.K. Fullerton, District Forester, Geraldton. The topic was Man and Resources, and the object of the meeting was to bring local problems of Resource use in Terrace Bay, before the Man and Resources National Conference Program regional meeting in Thunder Bay and provincial issues to a national workshop in Montebello, Quebec, October 29th to November 4th.

Mr. Scott started the meeting by showing some interesting slides.

Local interested citizens were asked to air their beefs and problems, at which time Mr. Scott and Mr. Fullerton would try to answer them, and take the main issues to the regional conference.

The first point under discussion was the waste of

Birch trees in this area. It was felt that birch trees are being under-utilized for commercial purposes, or as a secondary industry, due to marketing and transportation problems.

Lack of access roads to lakes and other recreational areas caused a heated discussion. Ben Lapenskie assured the gathering that the Zenmac road is under repair by his department, but agreed that many other roads are closed to local hunters, fishermen and for recreational purposes.

Another point brought out was that there is a lack of facilities in provincial parks, and that local residents pay the same fee as out-of-province and American tourists pay to use the parks and recreational facilities, so that Canadians are subsidizing American tourists, hunters and fishermen, who stay briefly and do not contribute to the economy.

Zoning of land use was discussed, as well as increased industry in this area. Each person present felt that promotion of this North Country should be a main consideration at the regional and national levels.

Mr. M. Purvis and Mr. R. Sinotte were chosen as delegates to attend the regional conference in Thunder Bay.

THE LAKE SUPERIOR BOARD OF EDUCATION

requires the services of a

SCHOOL SECRETARY

for the

LAKE SUPERIOR HIGH SCHOOL
 TERRACE BAY CAMPUS

We are looking for an efficient secretary to do general office work. Must have excellent typing skills and the desire to work with young people. Shorthand would be an asset.
